## COMMUNITY COMES TOGETHER TO SUPPORT TRAUMA SURVIVORS

It was a wet and chilly day, but that didn't dampen the spirits of runners and walkers at the 2018 Running for Hearts 5K Family Fun Run and Walk on Saturday, April 7 at Windwood Presbyterian Church! The community came together to support local trauma survivors including those affected by human trafficking, abuse, crime, war, and natural disasters like Hurricane Harvey.

"If someone in our community of any age has experienced trauma, Shield Bearer is the place that helps healing take place," stated race sponsor Esther Halford of Halford Busby Construction Consultants. "Shield Bearer helps families heal and find hope again. That's why this race is so important and why I wholeheartedly support it."

Runners and walkers of all ages warmed up with the coaches of Iron Tribe Fitness and local DJ KLS Entertainment before a timed, trail style 5K and 1-mile family walk. Kids enjoyed activities like face painting, fire truck tours, egg relays, photos with the Chick-fil-A cow, and a giant inflatable soccer goal from Sport Quest. "We love how Shield Bearer is helping families and had such a great time being part of this event. It was a privilege to be involved," stated Jim Spence, Sports Quest founder and a medal winner in the race.

Over fifty volunteers including teens from local Cy Fair ISD and Klein ISD helped with set up, activities, cheering, and planning the event. "It

## Becoming a Therapeutic Foster Parent with Benchmark Family Services

There are Foster Parents, and then there are Professional Therapeutic Foster Parents. Professional Therapeutic Foster Parents understand that a child with a traumatic past needs consistency, nurturing, and above all, someone who will focus on the good and help work through the child's difficulties.

Teenage foster children are among the most underserved population in the foster care system, and Benchmark Family Services needs your help to change that. Fostering a teen is an opportunity that is unique, and can be truly rewarding if you are willing to accept the challenge. There is such great opportunity to instill character and values in their lives that they will be able to take with them as they are becoming an adult. They are in need of something stable in their life, and your home could be just what they need. Are you ready to accept the challenge?

In one month, our agency as a whole received 6,919 referrals for children in foster care who need a home. We were not able to accept and place 4,054 of those referrals because there wasn't a Benchmark home available for them. We currently serve over 2,300 youth across four states, and that number is growing. If you have what it takes to become a Professional Therapeutic Foster Parent, we need you! All that is required is the desire to help those in need, the tenacity to persevere, and to remember that it isn't about you... it's about the children. Help them work through their past and influence strong core values and other aspects of becoming a thriving member of the adult community; help make a difference!

Benchmark's mission is to work alongside referring agencies to provide stable and caring placements for youth in need of out-of-home care. We advocate for children by ensuring reasonable opportunities for healthy physical, psychological and emotional growth and development in the most normal and least restrictive setting possible. To this end, Benchmark will provide and coordinate programs and services in cooperation with referring child welfare agencies. Benchmark is committed to the highest standards of childcare and professionalism.

At Benchmark Family Services, we pride ourselves on our customer service. We provide state of the art training to all of our foster families to prepare them to properly care for the children that will be in their home. We never want our families to feel like they are going through this alone; we understand how tough of a job this can be, and endless support is provided to all of our families 24/7. With Benchmark, you will have the support of a team of professional, caring staff who are working with your family and the children in your home every step of the way. By doing this, they will have the opportunity to understand not only the children and their needs, but your needs as a parent as well.

Our Houston office is located at 9800 Northwest Freeway, Suite 615. If you are interested in becoming a therapeutic foster parent or would like more information, please call our local office at (713) 995-5118.

Our other Texas locations include Austin, Corpus Christi, Dallas, League City, Longview, Lubbock, McAllen, and San Antonio. If you would like to contact any of our other offices, you can reach us at 855-5FOSTER (855-536-7837), or visit our website at [www.benchmarkfamilyservices.org](http://www.benchmarkfamilyservices.org) for more information.
