## A Teen with a Dream

by Yessenia Luna | Images by Coffman Photography

The Fairfield Community Gazette is honored that Yessenia shared her story with us. She composed this article. We believe that you will agree, she is a talented writer.

My name is Yessenia Luna, and I have Cerebral Palsy. On April 2, 1999, I was born dead due to negligence by the nurse who was responsible for taking care of my mom when she was in labor. The doctors brought me back to life, but the damage produced by my inability to breathe was incurable.

My life is very different from other people, especially kids my age. I do things differently, but I consider myself an average person who wants to be accepted and be successful.

Kids these days go out to parties and hang out with their friends, but I don't. In elementary school, I was the kid that everyone thought had superpowers. They wanted to hang out with me just because I was in an electric wheelchair. Now I feel that image has disappeared. As I've gotten older, I've realized that friends come and go. People don't need to have lots of friends to be happy.

Since I was three, I have attended regular classes. My mother believed I was intelligent, could understand everything going on around me, and that I had potential regardless of my disability.

When we moved to Texas, my parents told the teachers that I was in regular classes, but I guess they didn't believe them. The school authorities placed me in PPCD (Preschool Program for Children with Disabilities), so they could assess my capabilities.

When I was ready to go to kindergarten, they decided that I would go half a day, instead of the standard full-day, so I got behind. I can still remember the student teacher that was there; she told my mom that I was smarter than some of the regular students and I should be in regular classes. My mom asked

me if I wanted to skip a grade so that I wouldn't be behind. I told her that I had already made friends.

Becoming a fashion designer has been my dream since I was in elementary school. I have always loved being unique in how I dressed and how I look. Art caught my attention at an early age, and it has been a tool that aids me to be creative and stimulates my imagination. As a child, I didn't see my disability as an obstacle to follow my dream of becoming a fashion designer.

Today, as a person who has a disability, I know that I will have obstacles to overcome, but I will never give up. The most important thing is for me to have hope.

I have always believed that any vocation that someone chooses can improve our society positively regardless what that career is.

My family has always been there for me. My parents have sacrificed time with their other children to be able to take me to physical therapy appointments and surgeries that would help me to be independent. My parents are the reason I'm the person I am: strong, brave, hardworking, and persistent. They have always fought against people that didn't want to give me a chance to show that I am capable and can do anything.

Having Cerebral Palsy is difficult but not impossible. I'm 19 now, and my goals are to be a fashion designer and a wheelchair model to represent people with disabilities. I have researched the field of fashion design to get an understanding of its purpose and how it can positively impact society. My goal as a fashion designer is to provide clothes for people who have disabilities and people in general.

The reason I want to design clothing for people with disabilities is,

as a person with disabilities, I know what it feels like when a dress is too large or puffy to fit in a wheelchair. Or, how disappointing it is to have clothes you like turn out to be uncomfortable or way too big for your body. As a fashion designer, I will be able to create clothing for different body types and personalities.

In July, I will compete in the Ms. Wheelchair USA Pageant in Ohio. The mission of the competition is to promote glamour, self-confidence and community service, celebrating the accomplishments of women with disabilities. It gives participants the opportunity for women with disabilities to publicize their achievements, educate, and advocate for others while offering a platform for community service and public discussion.

I want to participate in Ms. Wheelchair USA because I want to show people that any individual can impact society positively regardless of their physical ability. With the title of Ms. Wheelchair USA, I will help people with special needs and who have low income to obtain the specialized equipment that will assist them in their daily lives.

I firmly believe that every individual who has a disability should be able to have special equipment despite their economic status. My goal is to provide funds and equipment for people in need, who have disabilities. I want to be the voice for these children around the world to help raise awareness and the provide support, tools, and resources they need to have an equal opportunity in life.

I had to apply before being able to compete. When I found out that I was Ms. Wheelchair Gulf Coast, I yelled because I never thought that I would be accepted. I have opened a GoFundMe account located at <https://www.gofundme.com/profile/yessenialuna-dwdsx> to help raise money for my competition in Ohio!

*Editor's note: Yessenia will graduate from CyRanch in June. While in high school, she has been involved in a variety of activities, attended numerous events, made scores of friends, and was even selected the 2017 CyRanch Homecoming Queen.*

## FAIR LADIES OF CHRIST THE REDEEMER

Fair Ladies of Christ the Redeemer, or FLOC, is a faith and fellowship group for the women who live in Fairfield and Lakes of Fairhaven that attend Christ the Redeemer Catholic Church.

We generally meet once a month, usually at a member's home, or a local restaurant, and occasionally at Christ the Redeemer. Our

meetings consist of food and drinks, prayer and fellowship! We occasionally have a speaker on topics that pertain to our faith, have fun craft nights, attend Christ the Redeemer events, try out new restaurants, and we also "give back" to the community and the church with some sort of charity or donation activity several times a year.

Our main goals are:

- To bring the CtR women of these two neighborhoods together to make social connections with each other,
- To support one another,
- To surround ourselves with women who share a common faith, and
- To bring those that are hesitant to attend CtR each weekend for Mass (due to the large size of the parish) back to Mass because there will be a friendly face in the crowd.

For more information, please contact Amy Wilkes at [apw1974@juno.com](mailto:apw1974@juno.com), or search for our group on Facebook - Fair Ladies of Christ the Redeemer (FLOC) - and request to join our closed group.

We look forward to meeting you at our next event!

## BECOMING A THERAPEUTIC FOSTER PARENT WITH BENCHMARK FAMILY SERVICES

There are Foster Parents, and then there are Professional Therapeutic Foster Parents. Professional Therapeutic Foster Parents understand that a child with a traumatic past needs consistency, nurturing, and above all, someone who will focus on the good and help work through the child's difficulties.

Teenage foster children are among the most underserved population in the foster care system, and Benchmark Family Services needs your help to change that. Fostering a teen is an opportunity that is unique, and can be truly rewarding if you are willing to accept the challenge. There is such great opportunity to instill character and values in their lives that they will be able to take with them as they are becoming an adult. They are in need of something stable in their life, and your home could be just what they need. Are you ready to accept the challenge?

In one month, our agency as a whole received 6,919 referrals for children in foster care who need a home. We were not able to accept and place 4,054 of those referrals because there wasn't a Benchmark home available for them. We currently serve over 2,300 youth across four states, and that number is growing. If you have what it takes to become a Professional Therapeutic Foster Parent, we need you! All that is required is the desire to help those in need, the tenacity to persevere, and to remember that it isn't about you... it's about the children. Help them work through their past and influence strong core values and other aspects of becoming a thriving member of the adult community; help make a difference!

Benchmark's mission is to work alongside referring agencies to provide stable and caring placements for youth in need of out-of-home care. We advocate for children by ensuring reasonable opportunities for healthy physical, psychological and emotional growth and development in the most normal and least restrictive setting possible. To this end, Benchmark will provide and coordinate programs and services in cooperation

with referring child welfare agencies. Benchmark is committed to the highest standards of childcare and professionalism.

At Benchmark Family Services, we pride ourselves on our customer service. We provide state of the art training to all of our foster families to prepare them to properly care for the children that will be in their home. We never want our families to feel like they are going through this alone; we understand how tough of a job this can be, and endless support is provided to all of our families 24/7. With Benchmark, you will have the support of a team of professional, caring staff who are working with your family and the children in your home every step of the way. By doing this, they will have the opportunity to understand not only the children and their needs, but your needs as a parent as well.

Our Houston office is located at 9800 Northwest Freeway, Suite 615. If you are interested in becoming a therapeutic foster parent or would like more information, please call our local office at (713) 995-5118.

Our other Texas locations include Austin, Corpus Christi, Dallas, League City, Longview, Lubbock, McAllen, and San Antonio. If you would like to contact any of our other offices, you can reach us at 855-5FOSTER (855-536-7837), or visit our website at [www.benchmarkfamilyservices.org](http://www.benchmarkfamilyservices.org) for more information.

## MEMORIAL HERMANN CYPRESS HOSPITAL CELEBRATES FIRST ANNIVERSARY OF OPENING WITH PLANS FOR EXPANSION

Memorial Hermann Cypress Hospital is celebrating its first year of delivering high-level services to the community with plans to expand. The recently approved expansion will develop empty space already built on the Cypress campus.

"We've seen amazing growth in the hospital's first year of operation and we are dedicated to continuing to provide the community with the excellent care they have come to expect from us. I am proud that the community has embraced us as a trusted care provider," said Heath Rushing, Senior Vice President and CEO of Memorial Hermann Cypress.

The nearly \$25 million expansion will add 24 licensed beds, including Intensive Care Unit (ICU) beds, as well as an additional catheterization lab for heart procedures and endoscopy suite for gastrointestinal procedures. Since opening March 31, 2017, the

81-bed facility has added multiple services, including a high-risk pregnancy center, Memorial Hermann Wound Care, robotic surgery capabilities, and occupational medicine services for companies in the region. The hospital now offers services provided by 480 affiliated physicians spanning 40 specialties.

In addition to the expansion project, Memorial Hermann Cypress has also started its journey toward becoming a designated Level III trauma center and Level II Neonatal Intensive Care Unit.

"It takes time to demonstrate the consistent, high-quality care offered at the hospital needed to receive these designations. We feel confident that we will show the state that we can provide remarkable care to seriously injured and ill patients and we are confident that we will receive recognition for both our trauma center and our NICU," said Jessica Rivas, Vice President of Operations at Memorial Hermann Cypress.

The expansion project will roll out over the course of next year and is expected to be finalized by summer 2019.

Learn more about the full range of services offered at Memorial Hermann Cypress and its connection to Memorial Hermann's fully integrated, comprehensive care network.
