Becoming a Therapeutic Foster Parent with Benchmark Family Services

There are Foster Parents, and then there are Professional Therapeutic Foster Parents. Professional Therapeutic Foster Parents understand that a child with a traumatic past needs consistency, nurturing, and above all, someone who will focus on the good and help work through the child's difficulties.

Teenage foster children are among the most underserved population in the foster care system, and Benchmark Family Services needs your help to change that. Fostering a teen is an opportunity that is unique, and can be truly rewarding if you are willing to accept the challenge. There is such great opportunity to instill character and values in their lives that they will be able to take with them as they are becoming an adult. They are in need of something stable in their life, and your home could be just what they need. Are you ready to accept the challenge?

In one month, our agency as a whole received 6,919 referrals for children in foster care who need a home. We were not able to accept and place 4,054 of those referrals because there wasn't a Benchmark home available for them. We currently serve over 2,300 youth across four states, and that number is growing. If you have what it takes to become a Professional Therapeutic Foster Parent, we need you! All that is required is the desire to help those in need, the tenacity to persevere, and to remember that it isn't about you... it's about the children. Help them work through their past and influence strong core values and other aspects of becoming a thriving member of the adult community; help make a difference!

Benchmark's mission is to work alongside referring agencies to provide stable and caring placements for youth in need of out-of-home care. We advocate for children by ensuring reasonable

opportunities for healthy physical, psychological and emotional growth and development in the most normal and least restrictive setting possible. To this end, Benchmark will provide and coordinate programs and services in cooperation with referring child welfare agencies. Benchmark is committed to the highest standards of childcare and professionalism.

At Benchmark Family Services, we pride ourselves on our customer service. We provide state of the art training to all of our foster families to prepare them to properly care for the children that will be in their home. We never want our families to feel like they are going through this alone; we understand how tough of a job this can be, and endless support is provided to all of our families 24/7. With Benchmark, you will have the support of a team of professional, caring staff who are working with your family and the children in your home every step of the way. By doing this, they will have the opportunity to understand not only the children and their needs, but your needs as a parent as well.

Our Houston office is located at 9800 Northwest Freeway, Suite 615. If you are interested in becoming a therapeutic foster parent or would like more information, please call our local office at (713) 995-5118.

Our other Texas locations include Austin, Corpus Christi, Dallas, League City, Longview, Lubbock, McAllen, and San Antonio. If you would like to contact any of our other offices, you can reach us at 855-5FOSTER (855-536-7837), or visit our website at www.benchmarkfamilyservices.org for more information.

MEMORIAL HERMANN CYPRESS HOSPITAL CELEBRATES FIRST ANNIVERSARY OF OPENING WITH PLANS FOR EXPANSION

Memorial Hermann Cypress Hospital is celebrating its first year of delivering high-level services to the community with plans to expand. The recently approved expansion will develop empty space already built on the Cypress campus.

"We've seen amazing growth in the hospital's first year of operation and we are dedicated to continuing to provide the community with the excellent care they have come to expect from us. I am proud that the community has embraced us as a trusted care provider," said Heath Rushing, Senior Vice President and CEO of Memorial Hermann Cypress.

The nearly \$25 million expansion will add 24 licensed beds, including Intensive Care Unit (ICU) beds, as well as an additional catheterization lab for heart procedures and endoscopy suite for gastrointestinal procedures. Since opening March 31, 2017, the 81-bed facility has added multiple services, including a high-risk pregnancy center, Memorial Hermann Wound Care, robotic surgery capabilities, and occupational medicine services for companies in the region. The hospital now offers services provided by 480 affiliated physicians spanning 40 specialties.

In addition to the expansion project, Memorial Hermann Cypress has also started its journey toward becoming a designated Level III trauma center and Level II Neonatal Intensive Care Unit.

"It takes time to demonstrate the consistent, high-quality care offered at the hospital needed to receive these designations. We feel confident that we will show the state that we can provide remarkable care to seriously injured and ill patients and we are confident that we will receive recognition for both our trauma center and our NICU," said Jessica Rivas, Vice President of Operations at Memorial Hermann Cypress.

The expansion project will roll out over the course of next year and is expected to be finalized by summer 2019.
