LAKE HOUSTON LEADS CLUB

Ali Lassen's LEADS CLUB has formed a chapter called Lake Houston Leads Club group and is inviting area business professionals in all categories to join. We are honored to be the first LEADS CLUB Professional Business networking group in Texas to be started up. We officially launched on November 10th, 2016.

Weekly networking meetings are currently being held every Thursday from 11:30 am to 1:00 pm at Walden On Lake Houston Country Club. We order lunch from 11:30 am to 11:45 am and promptly start our meetings at 11:45.

LEADS CLUB is an "Exclusive Category" business networking group and allows only one dynamic professional to represent each business category. We are a group of influential and successful business people, that strive to help other women achieve and succeed in their careers. Our motto is "Businesses helping Other Businesses Win."

Additionally, we are also trying to launch a MORNING meeting group. For information on either group, please contact your Chapter Consultant, and fellow Walden resident, Melissa Wittenborn at Melissa@momotivation.com, for an invitation to meet with us.
