### September Lineup

#### September 8 - Jomo & The Possum Posse

Best known for the wildly popular viral video series, "Guy On A Buffalo," Jomo & The Possum Posse made a name for themselves with their unique blend of cynicism, dead-eyed soul and anti-machismo honky-tonk. Their cult video series has surpassed 20 million views, garnering national attention from NPR's All Things Considered, Forbes, G4's Attack of the Show, and a slew of major media outlets.

#### September 15 - Guy Forsyth Blues Band

Austin's Guy Forsyth has long enjoyed praise for his dazzling live shows and rich Americana and Blues roots sound. Playing slide

guitar and harmonica in both acoustic and electric styles, Forsyth is a musician's musician practically turning anything into an instrument, be it a saw or an odd household item, he finds a way to captivate the audience's attention with it. Forsyth's repertoire incorporates elements of blues and Americana traditions, with trace elements of rock, R&B, folk, jazz and pop having been inspired by the great voices of American roots, Muddy, Wolf, Elmore, Little Walter, Armstrong, Waller, Smith, Watson, Waits, Bell and many more.

#### September 22 - Nakia

Before he was on "The Voice," Nakia was a Blues Grifter. Named for the age-old concept of stealing from the greats, the Blues Grifters formed in 2010. The band quickly became a hit on the club circuit in Austin performing at the legendary "Home of the Blues," Antone's Nightclub, and the South Austin hot spot, C-Boy's Heart & Soul and began recording its first album.

#### September 29 - Ready Betty

Ready Betty takes you on a musical journey back in time. This time warp begins from 1940's swing and travels through 1950's rockabilly and Groovy 1960's. The all-girl band plays covers and original songs in the blues, rock, rockabilly and funk genres.

## Bee Creek UMC's Backpack Blessing Sunday

Bee Creek UMC welcomed 100 students and dozens of youth to worship on Backpack Blessing Sunday. The church provided a free Bible for each student and a tag to attach to their backpack to remind them of God's love and care.

Backpacks and the students who carried them were blessed by the pastor. As the students exited for Children and Youth Sunday School, the congregation rose in a standing ovation and gave high-fives. After worship, the children were invited to a meal provided by the church and to celebrate the end of summer with water slides, a bubble pit, bouncy houses and even a candy cannon.

In an effort to bless our community, Bee Creek UMC partnered with Helping Hand Crisis Ministry to provide school supplies for 91 school children (elementary through high school) who would have been unable to afford them otherwise. If you'd like to learn more or join us in worship or service to the community, go to [www.beecreekumc.org](http://www.beecreekumc.org)

## Highland Lakes SPCA Putts4Pups Fundraiser

Each year, Highland Lakes SPCA works to find forever homes for hundreds of dogs abandoned to the streets or on "death row" at municipal county facilities in Burnet, Llano, Blanco and Travis counties. Since its founding in 1999 HLSPCA, a 501(c)(3) nonprofit organization, has rescued, rehabilitated and found forever home for more than 1,700 dogs! And their work continues around the clock to staff and maintain their 24x7 kennel operation. HLSPCA relies 100% on the contributions of individual donors, small grants and business partners like you.

This year their annual charity golf tournament fundraiser, Putts4Pups, will be held on Sunday, October 21st at Barton Creek Lakeside: shotgun start at 12:30pm, lunch, golf cart, dinner, raffles, prizes and live music included, all in the celebration of canine rescue. The proceeds from this wonderful event directly go to the expenses of caring for the dogs until they are matched with the right families.

To join the fun and find more into on Putts4Pups, visit [hlspca.org](http://hlspca.org).

## 3 Ways to Bring A Taste of Autumn Into Your Home

Autumn is finally here and for those of us living in the heart of Texas, we know what that means. Absolutely nothing, because it is still 90 degrees outside. Although our great state is famous for many things, a predictable seasonal pattern is not exactly one of them. However, for many people, the thought of cooler weather, colorful scarves, and pumpkin spice gives them all the warm and fuzzies. Below are three ways you can make the inside of your home feel totally fall-like even when it still feels like summer on the outside.

### 1. Bring In the Scents of the Season

The first step toward creating an autumnal haven is incorporating the scents of the season. From potpourri mixes and wax melts to candles and essential oil blends, there are a number of ways to bring cozy fall aromas to your home. The key is to look for hints of cinnamon, vanilla, or nutmeg. A good rule of thumb: let your nose be your guide. If the smell makes you think of grandma's apple pie or a relaxing walk through the woods on a cool, crisp morning, then you have probably found the perfect match.

### 2. Add a Touch of Color

A key part of fall that many people love is the changing colors of foliage. Reds, yellows, and oranges in various shades all around

evoke a sense of anticipation as the promise of cooler weather seems just around the corner. A great way to harness that energy is by bringing the colors of fall indoors. A simple red throw blanket casually draped across a chair or a selection of autumn-themed throw pillows strategically placed can add just a tasteful hint of seasonal decor without going over the top.

### 3. Decorate With Nature's Bounty

The final step in getting your home ready for fall is to incorporate nature's bounty. A quick walk through your neighborhood might yield a multitude of materials. Leaves in all kinds of shapes, sizes, and colors, used in conjunction with twine or ribbon, can create a simple banner. Acorns, or other nut varieties, placed inside a clear vase or mason jar can become beautiful centerpieces. Of course, pumpkins and gourds are oftentimes found at your local grocer and are wonderful items to utilize in your autumn decor.

Here in Texas, the seasons tend to keep us on our toes as we never know exactly what might be thrown our way. However, regardless of what might be happening outside, you can still make your home feel like a fall paradise on the inside.
