## Editor's Comments

Most of the time it is difficult to get a consensus on any given subject. We all have our opinion, and most of us refuse to budge off dead center. However, I'm confident that at least 90% of you out in Fairfield land would agree, the summer of 2018 was short and went by in a flash.

It is already time to usher our children and teens back to school and with that comes the flurry of activity it takes to prepare them for the event. We

are now settling into a new year, be it elementary, middle school, high school or college. Because this is such a special time of year, we wanted to highlight and acknowledge our pride in sending one of our own off to enjoy his final year at Mississippi State State University. His grandfather, Bruce Worley wrote the article

expressing his pride in Elijah and acknowledging the fact that it really did take a village (Fairfield Village) to raise this young man.

Our entrepreneurial story this month features Melissa and Troy Boyce, owners of The Cheese Bar. Metta Archillia submitted the article. As administrator for the Facebook page Cypress Area Eats, she has a passion for supporting the restaurants in our area and makes the rounds of Cypress restaurants with other foodies so that she can help promote their activities.

This month's Senior Spotlight star is Donna Morse, the newly installed president of the VFW Auxilliary. She invites all of you to the VFW's Annual Cookoff September 7th and 8th. We also have a fun story by one of our Peel photographers Thomas Coffman where he tells us about checking off a top item on his bucket list. Plus, we have school stories and fall events for you to enjoy.

Please be on the lookout for people helping people and friends and neighbors that are making Fairfield a wonderful place to live, work and raise our families. When you notice goodwill toward others, please send me a "Heads Up." I will take joy in telling the world about great things that are happening in Fairfield. Please send your questions, concerns or comments to [jackiedevine@peelinc.com](mailto:jackiedevine@peelinc.com) or call me at 832.316.6006

## Little Leaguers that become Big Leaguers

By Bruce Worley, grandfather

he demonstrated unusual skill, natural ability, and a deep love for the sport. But, we in the family recognize that it took a village of friends, family members and mentors through elementary, middle school and high school to give him the boost that would offer him the opportunities and notoriety that he has enjoyed at Mississippi State University.

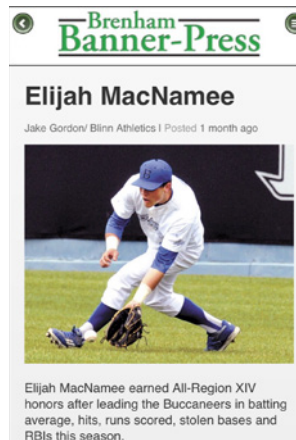

I hope this story offers up some encouragement and motivation to the youth of Fairfield to utilize and embrace the support offered by a dedicated network of family, friends, teachers, and coaches that exist in the Fairfield community and are willing to see you through to your dream.

Elijah and his family recognized his natural talent early on and took his abilities very seriously. As he grew and developed, he qualified to join Fairfield Little League travel team. The relationships that he developed with his Fairfield teammates formed the inner circle that would support his future dreams of becoming a professional league player.

As he moved into high-school and on to the Cy-Ranch baseball team, along with some of his former Fairfield little leaguers, Elijah excelled on the field and was named one of the top seven outfielders in the State of Texas. Cy-Ranch won the 6A High School Championship in 2015. Elijah was honored as one of the top 50 athletes in the greater Houston area. These achievements helped him receive an offer to attend Blinn Junior College on a baseball scholarship. While there, he excelled and earned honors after leading the Bucs in batting average, hits, runs scored, stolen bases and RBI's.

This is a short story about my grandson, Elijah MacNamee, and his rise to prominence as a valued member of Mississippi State University's baseball team.

It all started in Fairfield Village, Cypress Texas. Elijah's love of baseball was recognized early on when he began tee ball at around the age of five to six. Even at that young age,

Elijah's playing field achievements at Blinn College led to a scholarship offer to play for Mississippi State University. Starting as a sophomore outfielder, he showed continued improvement. Even with the slow start and some administrative team issues, he and his teammates finished with a strong ending in the regular season. They beat the number one team in the nation (Florida State) in a three game series. Elijah excelled again when needed.

Mississippi State won the regional after losing their first game. The stats indicated a 7% chance to get to Omaha (College World Series). With Elijah winning "most outstanding player in the regionals," the whole team stepped up to win the Super Regionals and the trip to Omaha. Although the stats inform the public of players and teams performances, they did not measure the "hearts" and the "will to win." They were on to Omaha. MSU won their 1st two games, but unfortunately lost their 2nd two and were eliminated. But, they could still hold their heads high!

As a loving grandfather and avid supporter of Elijah, I must say, all this began in the Fairfield Community. A community made up of parents, teachers, families and community leaders that want to offer the best chances for our youth to participate and grow to the best of their abilities in sports and academics. Elijah's immediate family, Jennifer, Phil and his two sisters Emma and Ellie deserve all the credit in the world for their enduring support and love for my Grandson Elijah MacNamee.

# A Restaurant's Plea to the Community to Help Save "The Cheese Bar"

by: Metta Archilla

*Story ideas and news come to me from a variety of avenues. Recently, one of my local colleagues, Metta Archilla, contacted me about publishing an article she had written about Fairfield's Melissa and Troy Boyces' business, The Cheese Bar, located inside the Towne Lake Boardwalk near the grass field and the docks. Metta is the Administrator for the Facebook page Cypress Area Eats. She makes the rounds of Cypress restaurants with other foodies. Metta also has a passion for supporting the restaurants in our area, especially those that are community owned and operated. Peel Inc. is proud to publish her article and delighted that we could participate in rallying the troops to support Melissa and Troy.*

Without the help of the Cypress community, The Cheese Bar, currently located in The Boardwalk at Towne Lake, could become a thread in memory without the backing of the very community they opened to support.

As Melissa and Troy Boyce revealed their fears of losing everything, I recognized them as true modern-day entrepreneurial risk takers and felt compelled to share their story.

"When you have spent most of your waking hours and have poured personal finances into a dream that feels to be slipping through your hands, it's scary," whispered Melissa. "As of this month, the hard reality facing us has become glaringly apparent. Struggling from lack of cash flow, wrestling with the day to day demands of running the business and dealing with the worry of being behind on bills are taking its toll."

Troy commented, "We have a great reputation, quality food, an award-winning Mac-n-Cheese and loyal following, but what most people don't realize is that despite these measurements of "success," it is excruciatingly difficult to manage costs without sufficient cash flow.

"The upside," Troy added, "is we are blessed with loyal employees who have stood by our side through thick and thin and embraced the very meaning of family. But the fact is, even though it's a hidden gem in plain sight, the complex is new, and people still don't know about The Boardwalk area. With customers so few and far between during the week, we can't even afford to pay ourselves a salary.

Melissa added, "We need people to come to visit us! I can't encourage people enough to support the little guys."

Melissa and Troy spoke about their once spirited ambition of opening a unique Mom and Pop shop here in Cypress. They realized their dream and with it came long hours, most days from sun up to sunset. "It's something you have to love doing, and we love it," Melissa explained.

"Troy and I live in the heart of Fairfield, so we know the Cypress area, and feel that there are residents who really crave something besides the usual chains. Realizing that Cypress is still a suburb, our concept is deliberately casual and kid-friendly, but offers a great

date-night or experience for the "grown-ups" without having to get dressed up."

Fairfield has a strong sense of supporting its community, so being a tiny Mom and Pop shop appealed to them. I hope that folks will rally behind The Cheese Bar and give Melissa and Troy a chance to turn things around.

The success of the Cheese Bar is much more than personal,  
*(Continued on Page 10)*

# Around Fairfield

(Continued from Page 9)

it benefits the communities of Cypress, Fairfield and the surrounding areas, in other ways. For their contribution during Hurricane Harvey, the Cy-Fair Fire Department awarded them with a Certificate of Appreciation for helping to raise funds that provided them with generators to keep their rescue operations up and running. They took meals to the Berry Center and provided food for the nearby neighborhoods that had flooded.

Aside from helping with Hurricane Harvey recovery efforts, Melissa and Troy are promoting a "Pay it Forward" program to feed the hungry locally in Cypress.

"Cypress has a growing population of homeless and displaced families, children, teens, and elderly. Not everyone is out on the street, but many are no longer welcome, or able, to stay at or in a home.

After having seen similar "Pay it Forward" programs on Facebook, we decided to do something comparable. Customers can now "buy" a meal for \$7, and it will be used to feed someone less fortunate."

"We aren't just a restaurant! Although we are known for our food, we also sell cheeses and meats by the pound and cheese trays as well. Some unusual items can only be found in our shop.

"I encourage people to come to grab some cheeses, meats, nuts and a bottle of wine, and take it home for a quick dinner. We also have a small catering menu (our famous MAC is on it!)" Troy offered.

Melissa and Troy are working on a few weekday specials and keep their Facebook and Web Page up to date with offerings such as Mimosa Monday (all day happy hour), Wine Wednesday (all night happy hour on Wines and Cheese Boards) and Pint Night Thursday.

"We are planning on offering future cheese classes, and now that our space is larger, we can host small parties like showers, birthdays, etc."

On a high note, she wants you to know they are more than just a comfy-casual place to get great food and relax with friends and family. They are also a unique combination of a European-style cheese shop and an intimate American bistro.

I encourage you to share this story and support this hard-working family and The Cheese Bar.

# VFW POST 8905

Since 1914, the VFW Auxiliary has been fulfilling its original objectives by supporting the Veteran of Foreign Wars, serving veterans, active-duty service members, and their families, and fostering patriotism nationwide.

Your local VFW Post 8905, located at 21902 Northwest Freeway, is just the place Veterans, their families, and friends can go to enjoy fun, friendship and a sense of belonging.

May 9th, the Auxiliary installed their 2018-19 president, and she was none

other than our own Donna Morse of Fairfield who assumed the reigns July 1st. She is no stranger to acting as the head honcho. Donna also served as post president back in 2009-10.

As she explained, Post 8905 is very active in both Cypress, Houston, and in District IV, where it resides. The Auxiliary is currently managed by both men and women who are a family member of the military serving overseas. Donna emphasizes that our local VFW is seeking not only new members, it is seeking Auxiliary volunteers to enhance their presence and their services in our area.

As president, Donna is responsible for planning the year's calendar and presiding over all functions and events. She is also responsible for attending monthly meetings and four district meetings per year. As the new president, she was honored to participate in the 119th VFW National Convention in Kansas City held in July.

According to Donna, "Not only was it exciting and memorable, but it was also awe-inspiring. I met patriotic, dedicated people from all over the county interested in helping our veterans. I also got to cheer the state delegates as they paraded through the conference halls. Another unforgettable highlight was attending the special meeting at the Municipal Auditorium where President Trump acknowledged a 94-year old war veteran and invited him to the White House for his 95th birthday. And to top it off, I attended a patriotic concert by Trace Adkins who, as everyone knows, is always at his best when performing for our nation's servicemen and women."

Of all her duties, Donna admits that her favorite veteran's program is the time-honored Buddy Poppy initiative. Spanning back to before Memorial Day in 1922, the VFW conducted their first poppy distribution, becoming the first veterans' organization to organize a nationwide distribution. In 1923 VFW "Buddy" Poppies were assembled by disabled and needy veterans who were paid for their work providing them with much needed financial assistance. The next year, disabled veterans assembled VFW Buddy Poppies at the Buddy Poppy

factory in Pittsburgh. The designation "Buddy Poppy" was adopted at that time. On May 20, 1924, the VFW was granted their organizational trademark rights in the name of Buddy under the classification of artificial flowers. No other organization, firm or individual can legally use the name, Buddy Poppy.

Today, Buddy Poppies are still assembled by disabled and needy veterans in VA Hospitals who are provided compensation for assembling the poppies. The initiative also offers financial assistance in maintaining state and national veterans' rehabilitation and service programs and partially supports the VFW National Home For Children.

Donna created a project highlighting the importance of Poppies. After winning a local and state competition, she was invited to display her artwork at the VFW gathering in Kansas City.

Home from the convention, Donna, is ready to hit the ground running. Steak dinners, hosted on the first Friday of the month, will continue as usual. In August, the VFW conducted its yearly orientation. September's main event will be the annual fund-raiser, the VFW Auxiliary Cookoff. Post 8905 will continue to participate in the monthly Bingo at I-45 and 1960. Along with the March of Dimes, our VFW will provide baby showers for mothers while military fathers are overseas. In October, the Cypress Chapter will collect sweatshirts, underwear, and socks to donate to the patients at the VA hospital. During November they deliver food to nursing homes, and in December they celebrate Christmas at a lovely Christmas party for members.

Donna is a very busy person. She loves what she does, and invites all veterans and military families to join in the fun and lend a helping hand.

## Photographer marks off the top of bucket list wish!

by Thomas Coffman

I have been a photographer for a decade and a KISS fan for over 40 years. Although I photograph a lot of high school seniors, families, kids, etc., the last couple of years I have been shooting concerts on the side as a hobby, and it's been great.

I've shot a lot of big names, but a few months ago I was invited to go see KISS at the Smart Financial Center in Sugarland, Texas.

A friend of mine, who knows KISS and is a photographer herself, had an all-access pass to the band and wanted to hang with me in the deluxe suites. So of course, I was willing.

Just about the time the show started, she told me that she had photographed them before and wanted to know if I would like to take control of her camera and capture the show?

Needless to say, I was in heaven! These were my boys—my idols for most of my life.

It was a dream come true. After the performance, my friend took me backstage to hang with the band and take a few photos.

In addition to their fabulous show, KISS should be applauded for their generosity. They donated a big check to Kingwood High School Band because the school had lost all of their instruments in the flood.

Dreams really do come true!!!!

On a final note: The photos were professionally shot using a Canon 60D. The lens was a 70-200. Most professional concerts carry enough electrical transformers and generators to power a small town. KISS' lighting and pyrotechnics, which included lasers, fireworks, confetti, smoke, high-powered fans, and streamers, was second to none. Their performance was one of the biggest and most exciting shows ever.

# Homecoming Mums in Fairfield Submitted by Stacie Guidry

Homecoming Mums and garters are a tradition as big as Texas and just as important as the homecoming game itself. If the local high school's hallways are any indication, mums are here to stay and are bigger, bolder and shinier than ever!

As a native Cajun girl from Louisiana, I had no idea what a Homecoming Mum was much less how it would change my life! I am the owner of Twinkie Designs located right here in our Fairfield community.

When I first started Twinkie Designs I was just doing custom wreaths and hats. A friend approached me about 6 years ago to help make a homecoming mum for her daughter. I told her I had no

idea what a homecoming mum was, much less how to make one, but she insisted I was crafty, and we could figure it out together." Her friend's daughter was thrilled with the mum, and I realized that I not only had a knack for creating it but really enjoyed putting the mum together.

Several years later, I am creating custom mums and garters for schools in the Cy-Fair and surrounding districts and have even mailed a mum and garter to Alpine, Texas.

Each creation is as individual as the wearer. Mums can have anything on them related to the sports they play to their clubs or organization. The mums are adorned with bears dressed in band uniforms, cheer uniforms or cute outfits in school colors. Each bear takes an hour or so to create, and Twinkie Designs does its best to match the uniforms down to the trim. I created unique mums such as a Storm Trooper garter and a Unicorn Mum.

"My goal is always to get that gasp of delight or jumping up and down in excitement when the girl or guy receives their custom creation by Twinkie Designs. I spend many sleepless nights during homecoming season, but it is all worth it to have satisfied customers."

Mums range in sizes from Single, Double, Triple, Mega Single, Quad, as well as Mum sashes or 6-8 flower mums. The sky is the limit only dictated by the client's budget.

Twinkie Designs is pleased to announce that we have a website to make ordering faster and easier than ever: <https://twinkiedesigns.ecwid.com/>. I can be reached also at [sguidry2@yahoo.com](mailto:sguidry2@yahoo.com) or 832-978-8355. Our Facebook page is: <https://www.facebook.com/TwinkieDesigns>

## September Yard of the Month

by Deborah Worley

With our long spell without rain and the high temps soaring in the region, we all know the difficulty in keeping our landscapes lush and flourishing. Thanks to all who have taken pride and a constant due diligence in keeping their landscapes alive and blooming.

This month Yard of the Month is featuring the Inwood Park area, south of Cypresswood Drive, east of Mason Road. Inwood Park area includes The Park at Inwood Glen, Inwood Glen Village, Inwood Park Village and Inwood Meadows Village.

We would like to congratulate our winner, Joe and Joynell Jones, who live at 15710 Bending Birch Drive, in the Inwood Glen Village. Their property slopes up from the street and their well planned landscaping with the large block concrete and brick planter (matches their house) breaks and tiers their front yard to make the most by adding color and interest to their yard. The planter is filled with Sweet Briar Roses which is in constant bloom and quite fragrant. A well placed pot filled with Spiderwort with its lovely purple flowers is in bloom. Walking up their driveway you have large flat stones leading you to their front porch. They have Latana Gold ground cover and several large decorative pots. Some of the pots are filled with ferns, also a couple of Scheffera Arboricde (Dwarf Umbrella Trees) and more Spiderwort. They mixed their Begonia's (white and pink) which gave great contrast in color.

Congratulations to Joe and Joynell Jones for their well planned and beautiful yard. All the color just welcomes you into their home. Thank you for taking such pride in your home.

Priester's Pecans come in one pound bags of either whole pecans or pecan pieces. We are selling the pecans for \$13 a bag or 2 bags for \$25. This is below retail prices. The pecans are delicious and with fall /Christmas/Holiday seasons coming up just around the corner, please stock up on your pecans! The pecans also freeze up to 2 years and when thawed, they taste just the same.

Please help support our local charities. We are happy to deliver the pecans directly to your door. You can order pecans from the Athletic Center sign-up board, our web-site: [www.fairfieldwomensclub.org](http://www.fairfieldwomensclub.org), on Fairfield Women's Club Face book page, or by calling 281-304-8100.

## Mission to SERVE: Loving our Community by Claudia Mattox

This summer, our family and student ministries teamed up together to help serve and love the people in the Ranch Country community. Every Thursday evening our Family Pastor, John Walls, and our HS/College Pastor, Mark Julian, gathered volunteers to put on a party in the park! Families in the community could come and enjoy each other's company as they ate, worked on crafts, played games, and most importantly – worshipped together. We desire to cultivate relationships within our community and are overjoyed to say that several people came to know and grew closer to our Father God because of those who served others.

This fall, we look ahead to our 9th Annual Running for Greater Things Race & Fall Fest on October 20th! RGT's goal is to support adoptive and foster families. For 8 years now, through RGT, many have played a role in helping families grow through adoption and get the support they need after they are home. This event is so much more than just a fun run and family entertainment.

We desire to raise awareness and share opportunities with our community about adoption, foster, and orphan care needs close by and abroad. You can impact a child's life and the lives of adoptive/foster families in our community for generations to come by getting involved, and together we can move mountains for children looking for forever homes. You can sign up at [RunningForGreaterThings.com](http://RunningForGreaterThings.com) or attend Fall Fest after the race that day to help make a difference!

## Bridgeland's Step Team ready to step out

Ms. Tashanda Franklin, the sponsor of the Bridgeland High School Step Team---first place winners of the district's Top Academics Award---is excited to see what the 2018-19 school year has in store for her girls. Also known as Young Ladies Positive Action (YLPA) and the Saphire Soul Sisters, Tashanda says, "Our activities are all geared around performance, community service and giving back to society. YLPA provides a unique learning environment with the equitable participation of its students allowing them to develop their leadership potential. Our goal is to enhance each individual student's intellectual, physical, social, moral and cultural development while conducting all of our activities with honesty and integrity by following the principles of good sportsmanship and ethical conduct."

Stepping was originated in Africa. Many western tribes did a tribal dance or step to celebrate something big. Stepping is a complex performance that melds folk traditions with popular culture and involves synchronized percussive movement, singing, speaking, chanting and drama.

Last year, YLPA launched and completed a variety of community service events almost every month of the school year. Three projects of note include the Heart Walk, held at Lone Star College on Hwy 249; the Campus-Wide Rise Against Hunger where they collected food and made nourishing food packages that were sent to hungry people around the world; and raising awareness and supplies for the Cypress Fairbanks Food Pantry. This year they are geared to surpass that great success.

YLPA is not a funded organization. The girls pay fees and rely on donations. If the community would like to support our girls, they are in need of help with uniforms, bus transportation, and two competitions this coming year. They are also hoping to begin a scholarship campaign as well.

## Swenke Elementary

*Submitted by Shelly Cooper*

The Swenke PTO would like to welcome you to this school year! Swenke Elementary will be celebrating 10 years of education, and the PTO is excited to be a part of this milestone.

We have many new events and additions to look forward to, such as the Adventure Dash Fun Run in the Fall, new Parent Reader days, our new digital marquee, a new phone app to replace the paper directory as well as some updates to familiar events. We have been working hard this summer to design new spirit shirts, make the PTO website more "user-friendly", and more.

In addition, we will continue some of the much-anticipated activities like Bingo Night, Winter Dances, Candy Cane Fun Run, End of the Year Parties, and Staff Hospitality Events. The PTO has a packed calendar filled with events for everyone and with help from our Swenke families, will make it all happen for our students and faculty.

Please visit the PTO website and login/register to stay informed ([www.swenkepto.org](http://www.swenkepto.org)). The PTO is always looking for volunteers to help make our events successful and our school a place for educational enrichment. When exploring the PTO website, make sure to visit the "Volunteer" tab for all types of volunteer opportunities as well as immediate volunteer needs.

Please let us know if you have any questions, suggestions or if you would like to volunteer. We are ready for another exciting school year!

For more information, please contact Swenke Elementary PTO, Shelley Cooper, at [swenkepresident@gmail.com](mailto:swenkepresident@gmail.com).

### **Good Shepherd Classic Adults Welcomes Judge Ed Emmett** *Submitted by Joan Hagen*

Join Good Shepherd United Methodist Church "Classic Adults" on Monday, September 10 to meet Judge Ed Emmett and get updates on Harris County, post Harvey.

Each month, the Classic Adults have a luncheon in the youth room of Good Shepherd Church. Any person 50+ is invited to gather with us for Christian fellowship, great food, entertainment, adventure, and programs that are sometimes light hearted, but always inspirational!

On September 10th, Classic Adults welcomes County Judge Ed Emmett as our guest speaker. Judge Emmett is the presiding officer of Harris County Commissioners Court. In his position, he serves as the director of the Harris County Office of Homeland Security and Emergency Management and represents the county on numerous boards, committees, and regional councils of governments. Join us as we learn more about our county government, what a county judge does, what the county has learned after Hurricane Harvey, and how it affects us way out here in Cypress, Texas!

You do not have to be a member of Good Shepherd UMC to attend Classic Adults. For more information and to register for the luncheon go to the Good Shepherd website [www.goodchurch.us](http://www.goodchurch.us) and click on registrations.

## VBS at Second Baptist

area. This year's original show was titled, "The Legend of Longbeard."

Last month, Second Baptist Church hosted an amazing Vacation Bible School program for the entire community! Over 2,300 children and leaders participated in this exciting event at the Cypress Campus, located right here in Fairfield. Each year, Second Baptist produces their own VBS music, curriculum, and production for thousands of children to enjoy across the Greater-Houston

Children in attendance learned that God is our true treasure through studying the life of David.

Additionally, children were encouraged to "share their treasure" by contributing to a special love offering through Second's Loving Kids Ministry. The children in attendance donated over \$5,000 that week, and 100% of those donations were used to purchase backpacks and school supplies for children in need in the Acres Homes area.

## Gary Thomas Marriage Conference – September 28-29

As many witnessed at VBS, Second Baptist is committed to ministering to families in our Fairfield community! With that in mind, Second Baptist would like to invite adults to come participate in the "Cherish Marriage Conference," presented by bestselling author and speaker, Gary Thomas. This marriage conference on September 28th-29th will provide great teaching, food, music, and fun for all in attendance! Participants will gain practical wisdom on how they can learn to cherish their spouse for a long-lasting and healthy marriage. The cost is only \$20 a person. A copy of Gary's book is included, along with food and free childcare for children 5 and under. Find more information and register online at [www.second.org/cypress](http://www.second.org/cypress).
