

Volume 17, Issue 9

We meet the 4th Monday of each month at 7:30 P.M. (unless we decide to skip a month or change the meeting day). We take turns hosting the meeting and sometimes change the date or book, so please contact celeste.fritz@gmail.com to get the details for each meeting. Our group has lively discussion (not totally about the books) and we challenge ourselves to read out of our comfort zones.

September 24 - The Murderer's Son by Joy Ellis. Twenty years ago: a farmer and his wife are cut to pieces by a ruthless serial killer. Now: a woman is viciously stabbed to death in the upmarket kitchen of her beautiful house on the edge of the marshes.

Then a man called Daniel Kinder walks into Saltern police station and confesses to the murder.

But DI Rowan Jackman and DS Marie Evans of the Fenland Constabulary soon discover that there is a lot more to Daniel than meets the eye. He has no memory of the first five years of his life and is obsessed with who his real mother is.

October 22 - The Curious Charms of Arthur Pepper by Phaedra Patrick. Sixty-nine-year-old Arthur Pepper lives a simple life. He gets out of bed at precisely 7:30 a.m., just as he did when his wife, Miriam, was alive. He dresses in the same gray slacks and mustard sweater vest, waters his fern, Frederica, and heads out to his garden. But on the one-year anniversary of Miriam's death, something changes. Sorting through Miriam's possessions, Arthur finds an exquisite gold charm bracelet he's never seen before. What follows is a surprising and unforgettable odyssey that takes Arthur from London to Paris and as far as India in an epic quest to find out the truth about his wife's secret life before they met—a journey that leads him to find hope, healing and self-discovery in the most unexpected places

So many books, so little time!.....

September 2018

FALL!!!!! School! Cooler temperatures (maybe)! New colors to admire and embrace. Sports teams are getting geared up to start their seasons and life marches on! Ladies! We will be gathering for our Ladies Club General Meeting on Tuesday, September 25th at the LOEN Clubhouse and welcome anyone that is just investigating the Ladies Club to go ahead and join us for some Girl Time. We begin at 6:30 and convene around 8:30! Our potluck is always delicious, (no worries about bringing a dish if you a new and just taking a peek) and there is plenty for everyone. Join Us and bring a friend along! There is a folder at the clubhouse office with a listing of our activity groups and a recent newsletter to give you a look into how much fun we have as part of the Ladies Club.

Contact me with any questions, Deborah Eades, at loenladiesclubpresident@gmail.com.

See you in September!!!!

INVEST IN A STUDENT. CHANGE A LIFE. Become a mentor

WHAT IS A CFISD MENTOR?

The CFISD Mentor Program is a cooperative effort of volunteers from businesses, faith-based and/or non-profit organizations, the community and CFISD designed to encourage students (elementary through high school) to finish school and focus on future education and career goals. A mentor is a suitable role model committed to helping a student with his/her academic and social development.

Patriot Day and National Day of Service and Remembrance

SEPTEMBER 11

In memory of the nearly 3,000 people who were killed in the September 11, 2001, terrorist attacks, each year in the United States we observe Patriot Day and National Day of Service and Remembrance.

HISTORY

On October 25, 2001, the U.S. House of Representatives Joint Resolution 71 was approved. Resolution 71 requested that the President designate September 11 of each year as "Patriot Day". President George W. Bush signed the resolution into law on December 18, 2001 (as Public Law 107-89).

On this day, it is asked by the President that the American flag is flown at half-staff at individual American homes, the White House and on all United States government buildings and establishments at home and abroad. The President has also asked Americans to observe a moment of silence beginning at 8:46 A.M.(Eastern Daylight Time), the time the first plane struck the North Tower of the World Trade Center on September 11, 2001. He also strongly encourages Americans to use the Corporation for National and Community Service to find and volunteer for service opportunities.

It was on September 10 of 2012 that President Obama issued a proclamation renaming the day as Patriot Day and National Day of Service and Remembrance, in reference to both Public Laws 107-89 and 111-13 (the Edward M. Kennedy Serve America Act).

"As we join in serving causes greater than ourselves and honoring those we lost, we are reminded of the ways that the victims of 9/11 live on — in the people they loved, the lives they touched, and the courageous acts they inspired. On Patriot Day and National Day of Service and Remembrance, we pledge to carry on their legacy of courage and compassion, and to move forward together as one people." ~Presidential Proclamation— Patriot Day and National Day of Service and Remembrance

Lakes on Eldridge North National Hispanic Heritage Month 2018

During National Hispanic Heritage Month (September 15 to October 15) we recognize the contributions made and the important presence of Hispanic and Latino Americans to the United States and celebrate their heritage and culture.

Hispanics have had a profound and positive influence on our country through their strong commitment to family, faith, hard work, and service. They have enhanced and shaped our national character with centuries-old traditions that reflect the multiethnic and multicultural customs of their community. Hispanic Heritage Month, whose roots go back to 1968, begins each year on September 15, the anniversary of independence of five Latin American countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. Mexico, Chile and Belize also celebrate their independence days during this period and Columbus Day (Día de la Raza) is October 12.

The term Hispanic or Latino, refers to Puerto Rican, South or Central American, or other Spanish culture or origin regardless of race. On the 2010 Census form, people of Spanish, Hispanic and/ or Latino origin could identify themselves as Mexican, Mexican American, Chicano, Puerto Rican, Cuban, or "another Hispanic, Latino, or Spanish origin."

Today, 57.5 million people or 18% of the American population are of Hispanic or Latino origin. This represents a significant increase from 2000, which registered the Hispanic population at 35.3 million or 13% of the total U.S. population.

Share in this special annual tribute by learning and celebrating the generations of Hispanic and Latino Americans who have positively influenced and enriched our nation and society.

Tree Planting Guide

From CenterPoint Energy

When trees grow and extend into power lines, they can cause power outages and safety hazards for you and your neighbors. Prevent these problems by planting the "right tree in the right place," and you won't have to worry about trimming or removing your trees once they grow.

BENEFITS OF TREES

Trees help Houstonians in many ways:

- Energy efficiency help homes and buildings keep cool by providing shade. They also reduce wind and temperature fluctuations in your home.
- Cleaner air reduce Houston's air pollution.
- Beauty enhance the appearance of our homes and communities.
- Privacy obstruct views of neighbors, traffic and more.
- Peace & quiet tree foliage serves as a noise buffer from city noise.
- Fun kids love to play, climb and swing on a tree.
- Wildlife provide a habitat for birds and other animals.
- Food produce a variety of fruits and nuts.

But not every tree is right for you and your yard. Follow the steps below to ensure you have a tree that meets your needs, fits your space and doesn't create problems with nearby power lines.

See more at: https://www.centerpointenergy.com/en-us/safety/ pages/tree-planting-guide.aspx?sa=ho&au=res#sthash.6yWTUt BN.dpuf

STEPS BEFORE PLANTING

- 1. Determine Available Space
- Identify nearby power lines and their type:
 a. Distribution lines need 10 feet of clearance from vegetation.

b. Transmission lines mean no trees inside the Right-of-Way and no tall trees nearby.

c. Service drops should never have trees planted beneath them.

- 3. Also look for nearby electrical equipment, like pad mount transformers or smart meters. Don't plant trees, shrubs, plants or other vegetation where it can damage equipment or interfere with CenterPoint Energy's ability to access it.
- 4. Choose a Tree
- 5. Knowing your space limitations, determine what tree species you want to plant.
 - a. Distribution-line-friendly, low-growing trees.
 - b. Transmission-corridor-friendly, low-growing vegetation.
 - c. The Texas Forest Service Tree Planting Guide helps you find the right tree for your property.
- 6. Call Before You Dig
- 7. Homeowners must call 811 before digging to avoid hitting underground utility lines.
