## SILVERCREST PTA

We are all happy to see cooler weather headed our way as we move fully into Fall. There are a lot of fun activities this time of year. We look forward to a month of gratitude, Fall fun, and the holidays! Go Stallions!

## ANNUAL FOOD DRIVE

Our annual food drive is scheduled for October 29 - November 9. It benefits our neighbors at the Pearland Neighborhood Center and is a fun competition for our students. The grade level that brings in the most items will be recognized with a special reward! All of the items donated will help restock the food and dry goods pantry and will help fill holiday food baskets.

Please help your student's class with grade specific requests to help families in need. All items should be in their original, unopened packaging. Open or expired items cannot be accepted. If you have any questions, please contact Kokila Katyal, Community Outreach Committee Chair, at 412.498.0642 or kkatyal@gmail.com. Thank you for helping out families in need!

## MARK YOUR CALENDARS:

**Nov 7th | Arts in Education - 2nd Grade HMNS Cool Chemistry**

This month, the Silvercrest PTA is proud to sponsor the ConocoPhillips' Cool Chemistry presentation for our Second Graders from the Houston Museum of Natural Science. This exciting presentation takes an in-depth look at chemical changes and states of matter, observing various types of reactions and the byproducts created. Be sure to ask your Second Graders about it, as the presentation is during the school day and limited to students and teachers only. Other grade level presentations to come throughout the school year!

**Nov 13th | PISD Swap Shop | 5:00 – 7:00 pm**

The PISD Swap Shop is located behind the Pearland Jr. High West school, in the brown building across from the PACE Center. Enter from Old Alvin Road, and turn into the driveway leading to the PACE Center. There are 4 ways to participate:

**SWAP**—Bring in your gently used clothing and “swap” for items new to you. It's a great way to save money and to get refreshed or larger size clothing for your PISD student.

**DONATE**—We are always looking for gently used items for those in need right here in our district. Your donation may be tax deductible so a tax receipt will be provided.

**VOUCHER**—A voucher allows a family in need to get items from the shop. You may obtain a voucher from your school by contacting the school principal, nurse, or counselor.

**VOLUNTEER**—volunteers are always needed. The shop is run from volunteers from PTA's in the district.

**Nov 15th | PTA General Meeting | 6:30 pm**

## Street Parking and Blocking Sidewalks

Several residents have voiced concerns about vehicles parking in the street on a regular basis and blocking or narrowing the roadway for moving vehicles. Most of the roads are the standard width and easily allow for two cars to pass safely. When one car is parked in the street it may become more difficult to drive through, however when two cars are parked parallel to each other, attempting to drive through it is a challenge and creates a safety issue. Most importantly, the ability of an emergency vehicle such as a fire truck or ambulance cannot get through due to their size. That is a situation to be avoided at all cost. Please be aware of where you park and the pathway it may hinder. Driveway parking is best and safest so long as it does not impinge on the sidewalk.

As a reminder, vehicles should be parked either in the garage or in the driveway and not on the street whenever possible. Many residents comply with this request and then find that their vehicles often block sidewalk access causing pedestrians to have to take other measures to get around them. While this is not a constant problem, it is concerning and it can become a safety issue when neighbors are walking, jogging, biking or taking small children out for fresh air. It causes them to leave the safety of the sidewalk and go into the street because there is no other way to get by the vehicles. Please take a moment to see where your vehicle is located on the driveway or the street. See if you can assist your neighbors to navigate along the sidewalk without going into the street to avoid placing pedestrians in the street when they should be on the sidewalks. Your neighbors would greatly appreciate your thoughtfulness.

**Please remember to pick up after your pets and "scoop the poop"**
