The Northeast Water Purification Plant Expansion

The Northeast Water Purification Plant expansion continues to progress. Work right now is primarily focused on the installation of two 108" pipelines running from the plant to lake Houston. The plant itself is being expanded and the concrete is being poured for the new foundation. A tunnel is being placed under West Lake Houston Parkway so the pipeline can proceed under the roadway to the Lake.

Construction is ongoing and the workers are trying to disrupt the neighborhoods as little as possible but we know it can be noisy and dusty. We apologize for any inconvenience. If you need to reach us please call 281-520-3777. There are also weekly construction updates posted on www.greaterhoustonwater.com. Please visit that website for information about the project.

There are public meetings being conducted each quarter. The next meeting is scheduled for January 22, 2019 at Lakeside United Methodist Church at 7:00 p.m. Please plan on attending.

A Little History

Project Celebration began as Project Graduation, originating in Maine during the 1970s in response to twelve teens who were killed in alcohol-related traffic crashes. Seven of those teens were from the same community. A group of parents, determined not to let alcohol ruin more lives, organized and hosted the original chemical-free alternative to the late night partying that often accompanies senior celebrations. But the idea of all-night, chemical free parties was not new—Oregon schools had been hosting parties like this for decades.

In the 1980s, John McKay, a Texas Dept. of Transportation (TxDOT) employee, attended a traffic safety conference, learned of the program and brought it back to Texas. John worked closely with the Alcohol, Drugs and Highway Safety Coordinator at Maine's Department of Education and Cultural Services to launch Project Graduation in Texas high schools. Soon, the Texas Dept. of Public Safety (TxDPS), Texas Department of Health (now Texas Department of State Health Services), Texas Education Agency, Texas Safety Association, Congress of Parents and Teachers, Texans' War on Drugs and the Texas Center for the Judiciary endorsed the Project Graduation concept.
