Dr. Stephanie Bruce joins Houston Methodist Obstetrics and Gynecology Associates at Houston Methodist Willowbrook Hospital

Stephanie Bruce, MD, a board-certified obstetrician and gynecologist, recently joined Houston Methodist Obstetrics and Gynecology Associates at Willowbrook at 10130 Louetta Road. Bruce received her medical degree from Texas A&M College of Medicine and completed her residency at the University of Texas, Memorial Hermann Hospital in Houston.

The majority of Bruce's practice is gynecological. Although she misses delivering babies, she says that the practice of gynecology allows her more time to focus specifically on the health and well-being of women.

"I like empowering women to make good decisions for a healthy life," Bruce said. "I have had the privilege of seeing women through many ages and stages, and I have witnessed the benefits of helping women make good decisions now so they will age better and live healthier."

Bruce attends various conferences annually to stay current with the latest research and trends in health care and to maintain the highest level of knowledge in the field. "In my practice, I really focus on what is the evidence-based way we should be treating a given problem," said Bruce. "It's critical to me that my patients hear all treatment options and not be limited only to the procedures I'm comfortable performing. I want them to be aware of all options to make the best decisions for their health."

Bruce's clinical expertise includes:

- Birth control
- Cervical dysplasia
- Gynecological procedures
- Hysteroscopic surgery
- Infertility
- Menopause
- PMS/PMDD
- Polycystic ovary disease

Bruce is also active in community outreach programs to educate women and participates in numerous activities, including the Mother-Daughter Symposium at Houston Methodist Willowbrook and women's health lectures sponsored by the National Junior Charity League.

"I want to share my medical knowledge to help educate and partner with women so they are empowered to make the best choices for their own health," said Bruce.

To schedule an appointment with Bruce, call 832.698.5525.
