## Recycle Day Success

Thank you LOE for another great community event!

The LOE Recycle day was a great success! Thank you to everyone who participated. We had several of our residents take the opportunity to help our community by shredding over 4,000 pounds of paper and recycling over 7 pallets of electronics.

A special thank you to our neighborhood volunteers: Anisa Hoxha, Francesca Della Chiesa, Ana Maria Di Carlo, Sue and John Strebel, and Robert Higdon. They worked tirelessly to help guide traffic and unload boxes. We couldn't have done it without you!

Thank you LOE for another great community event!

## LOE Book Club

We meet the 4th Monday of each month at 7:30 P.M. (unless we decide to skip a month or change the meeting day). We take turns hosting the meeting and sometimes change the date or book, so please contact [celeste.fritz@gmail.com](mailto:celeste.fritz@gmail.com) to get the details for each meeting. Our group has lively discussion (not totally about the books) and we challenge ourselves to read out of our comfort zones.

**May 20 - Before We Were Yours by Lisa Wingate**

**For readers of Orphan Train and The Nightingale comes a "thought-provoking [and] complex tale about two families, two generations apart . . . based on a notorious true-life scandal."**\*

Memphis, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty.

Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a

chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption.

**June 24 - The Book of Polly by Kathy Hepinstall**

Willow Havens is ten years old and obsessed with the fear that her mother will die. Her mother, Polly, is a cantankerous, take-no-prisoners Southern woman who lives to chase varmints, drink margaritas, and antagonize the neighbors—and she sticks out like a sore thumb among the young modern mothers of their small conventional Texas town. She was in her late fifties when Willow was born, so Willow knows she's here by accident, a late-life afterthought. Willow's father died before she was born, her much older brother and sister are long grown and gone and failing elsewhere. It's just her and bigger-than-life Polly.

Willow is desperately hungry for clues to the family life that preceded her, and especially Polly's life pre-Willow. Why did she leave her hometown of Bethel, Louisiana, fifty years ago and vow never to return? Who is Garland Jones, her long-ago suitor who possibly killed a man? And will Polly be able to outrun the Bear, the illness that finally puts her on a collision course with her past?

The Book of Polly has a great blend of humor and sadness, pathos and hilarity. This is a bittersweet novel about the grip of love in a truly quirky family and you'll come to know one of the most unforgettable mother-daughter duos you've ever met.
