June 14th is Flag Day

Display your United States flag proudly and correctly. The Veterans of Foreign Wars (VFW) has published information concerning "flag etiquette" which can serve as a guideline for displaying the flag. The Flag Code is simply a guideline for proper flag etiquette. The law does not provide penalties for violation of any of the provisions.

The Federal Flag Code notes that the flag is customarily displayed from sunrise to sunset in the open and when a patriotic effect is desired it may be displayed for 24 hours if properly illuminated during the hour of darkness. In addition, the flag should not be displayed during inclement weather except when an all-weather flag is displayed.

When the United States flag is displayed with another state or county flag, the U.S. flag should be at the peak.

Never use the flag for decoration, allow the flag to touch the ground, fasten it back, use the flag as clothing or cover and do not store the flag where it can get dirty. The Flag Code does not prohibit washing or dry cleaning of the flag.

To salute the flag, remove hats (women and military members may leave their hats on) place right hand over heart and stand at attention.

A flag that is torn or worn should be destroyed in a dignified manner, preferably by burning. Individuals should be responsible for destroying the worn flag in their possession and burying the ashes. Some VFW Posts provide assistance.

In the early 1800's flags may have had the addition of fringe as a decorative enrichment. There are no rules that prohibit the use of fringe on a U.S. flag by nongovernment groups or organizations.

Silvercrest PTA

We can't believe May is already here! The school year is coming to an end and what a great year it has been. May is a great time to say THANK YOU to all of our wonderful teachers during Teacher Appreciation Week. Silvercrest has the best teachers and staff and we are so thankful for all they do for our students!

School Supplies for 2019-2020

Silvercrest PTA has made possible online purchasing of school supply packs from April 30 through June 16 (late orders June 18 - July 7). Go to <http://www.educationalproducts.com/shoppacks>. Our school ID is SIL033. School supplies will be shipped to your home by August 2. Save time and avoid the crowds in the stores with this convenient online option!

Arts in Education

The Silvercrest PTA sponsored an excellent performance, Dancing with the STAARs, for our Third and Fourth Graders in April. Performed by Sonkiss'd Dance Theater, the students enjoyed watching exhibitions of various forms of dance, including different styles of Street Dance, Contemporary Dance, partner balancing and acrobatics, to demonstrate how math, science, and general education helps them be successful.

Environmental Update

Thanks to all the kids, families, and teachers that sent in old magazines for our magazine recycle drive! We were able to collect over 200 magazines with the 1st grade bringing in the most. We plan to donate them to Baylor College of Medicine for use in their waiting areas. Congratulations, 1st graders -- keep your eyes out for your prize!

Also, thanks to all the kids, families and teachers, who have been sending in old markers. We have collected over 1000 and counting. I will be sending those out to the Crayola Colorcycle program for recycling as soon as the school year ends!

Thank you Silvercrest for doing your part in taking care of our planet Earth!

Box Tops

Please keep clipping Box Tops over the summer for our next school year! Don't forget to visit Randall's customer service to link your loyalty card to Silvercrest PTA as a charity partner.

Please congratulate our 2019-20 Silvercrest PTA Officers:

President - Samye Peterson

1st Vice President Fundraising - Sarah Hawks

Secretary - Dalis Northup

Treasurer - Monica Rasmussen

The Silvercrest PTA is still looking for some dedicated volunteers who want to continue to make Silvercrest the best school it can be!

Currently, we are looking for someone to fill the following positions:

Buildings & Grounds Update

Hello all and greetings from your garden! Everything is growing well and we are starting our prep work for summer break. We have a new design in the works for our herb garden and we have reached out to the teachers to get their input. It should be a great addition to the garden! We will also be planting some small shrubs around the school marquee, which should be done before school starts in the Fall. The bluebonnets have left us for this year, I hope everyone had a chance to see them! Finally, the Silvercrest PTA approved an arbor to be purchased, installed & dedicated to the previous Buildings & Grounds Chair. Please join me in thanking Mrs. Sandra Engle for her seven dedicated years to Silvercrest's garden (please find the picture with the plaque attached). Until next time, keep planting!
