ARC Spotlight

June 14th is Flag Day. This month's ARC Spotlight offers guidance on displaying your flag.

- Permitted flags: Flag of the United States of America, Flag of the State of Texas, or an official or replica flag of any branch of the United States Armed Forces.

- A flag must be displayed on a flagpole, either free standing or attached to the residence.

- Not more than two of the permitted flags shall be displayed on a flagpole (3'x5' or 4'x6' depending on the height of the flagpole).

- A displayed flag must be maintained in good condition; a deteriorated flag must be replaced or removed.

- Freestanding flagpoles shall not exceed twenty feet in height, measured from the ground to the highest point of the flagpole.

- Flagpoles attached to the residence or garage shall not exceed six (6) feet in length.

- Only the three permitted flags shall be displayed on a

freestanding flagpole. Other types of flags may be displayed on a wall-mounted flagpole as permitted by the Association.

- Illumination of a flag must be in-ground and have a maximum of 150 watts.

- An external halyard on a flagpole is required to be securely affixed to the flagpole so that it does not "clang" against the flagpole.

- Flag displays and/or poles that do not

comply with all setbacks, above-ground flagpole stands and/or footings, and illumination under Section 5.6 of the Conditions, Covenants & Restrictions must be approved by the Residential ARC.

Check out these and other residential guidelines at www.springtrails.com, under the Documents menu.

SPRING TRAILS

Spring Trails Outdoors

May 30th marked the last day of school. So as summer break kicks into high gear, Spring Trails residents are reminded to be aware of children and their pets playing outdoors in yards, along sidewalks, and at the community's outdoor amenities.

The newly renovated community pool is now open and DS Recreational Services will be providing lifeguard and pool maintenance throughout the summer. Pool hours are 6:00 am-8:00 pm, Tuesday through Sunday (closed most Mondays for cleaning).

Cardinal Sports Park hours are 6:00 am – 9:00 pm daily. Playgrounds at Heron Park and in Mulberry Park close at dusk due to lack of lighting.

The Association would like to remind homeowners and residents of some general rules for common area use:

- Alcohol, smoking, and vaping are not permitted.
- Firearms and weapons of any kind are strictly prohibited.
- Amenity access cards are required for entry into the pool and tennis facilities.
- Children under 14 years of age must be accompanied at all times by an adult 18 years of age or older at the pool.
- Profanity, fighting, unnecessary roughness, and causing undue disturbance will not be tolerated.

A complete list of rules is posted at the community pool and at Cardinal Sports Park, and can be viewed online at www.springtrails.com. Keep our community safe and clean by contacting the property manager or the Board of Directors if you identify damage to or malfunctioning of facilities. Contact the Constable if you observe or experience unruly or unsafe behavior. Have fun this summer and enjoy all that Spring Trails has to offer.

Bringin' the Heat!

June in southeast Texas is the time to change up landscaping routines. Experts at local nurseries offer the following tips to ensure your outside space remains vibrant and beautiful throughout the summer months.

Summer Color – Plant summer blooming perennials and annuals. Use larger containers to avoid frequent watering. Move hanging baskets out of hot afternoon sun.

Mowing – Raise lawn mower blades to cut 3 inches high to retain moisture and prevent diseases and pests.

Weeding – Keep up with weeding in early morning hours. Add mulch to flower beds to minimize sprouting weeds.

Pruning – Remove spent blooms on spring and summer annuals to promote new blooms and remove any diseased or insect damaged foliage on plants.

Watering – Deep root watering on trees, lawns and shrubs encourages roots to move down into the soil where they will be less susceptible to moisture changes. Avoid frequent short periods of watering.

Feathered Friends – Change water regularly in bird baths and keep them full. Clean hummingbird feeders every 3-5 days.
