*We realize you have a choice so we appreciate the opportunity to earn your business. Building clients for life while giving back to the community in order to make a difference!*

*I have served Eagle Springs homeowners since nearly the beginning as I obtained my real estate license back in 2002. I owned 2 different homes in Eagle Springs and have loved the neighborhood that I have sold so many homes in. Many of you that read my monthly newsletter know me and many have used me for real estate services to buy and sell their homes. I thank Eagle Springs for your business and your friendship over the years. There are many new faces in the neighborhood as the neighborhood has matured and many that may not know me. If you are thinking about buying or selling, please give me an opportunity to speak to you about my services and how I may serve you. My record on home sales in Eagle Springs is unsurpassed, my knowledge of the neighborhood is extensive and my ability to get your home sold, or find you that perfect home to buy is proven in my record. I care about my Clients and giving service beyond service is the Rebekah Snipp difference. Building Clients for life while giving back to the community I serve is something I live by.*

*It's been fun to follow along this season as the Eagle Springs Flyers Swim team competed against other area teams. I enjoyed reading the stories about the swim team participants and the competitions they engaged in. The Eagle Springs Flyers are composed of all age groups from those starting out to some that are nearing the end of their neighborhood swim team participation. Lots of fun memories were made by each of them. I think a big thank you is in order for the residents and parents that volunteer throughout the season, as they give countless hours making a difference for the kids.*

*Happy Fourth of July to all of Eagle Springs! Please remember that freedom is not free when celebrating Independence Day and thank you to all that defend our nation. As the mother of an Iraq War Veteran, thank you to all that have served.*

*Respectfully,  
Rebekah Snipp*

# Beat Summer Learning Loss With Mathnasium

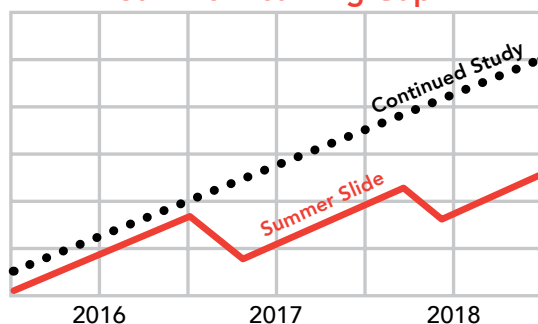

## What Is the Summer Slide?

Summer slide is the loss of knowledge over summer vacation.

Summer learning loss in elementary school has been linked to consequences in later academic life, affecting whether students drop out of high school and whether they attend college.\*

## I SCREAM, YOU SCREAM, WE ALL SCREAM FOR ICE CREAM

### Ingredients

- 2 cups half-and-half
- 1 cup whipping cream
- 1 cup minus 2 tablespoons sugar
- 2 tablespoons peach preserves (not jelly)
- 1 vanilla bean, split and scraped

*Recipe courtesy of Alton Brown*

### Directions

Combine all ingredients (including the bean and its pulp) in a large saucepan and place over medium heat. Attach a frying or candy thermometer to inside of pan. (see note below) Stirring occasionally, bring the mixture to 170 degrees F. Remove from heat and allow to cool slightly. Remove the hull of the vanilla bean, pour mixture into lidded container and refrigerate mixture overnight to mellow flavors and texture.

In the morning add the cooled mixture to your ice cream machine and follow manufacturers instructions. The mixture will not freeze hard in the machine. Once the volume has increased by 1/2 to 3/4 times, and reached a soft serve consistency, spoon the mixture back into a lidded container and harden in the freezer at least 1 hour before serving.

NOTE: If you do not have a thermometer, bring the mixture just barely to a simmer. As soon as you see a bubble hit the surface, remove it from the heat. Do not let it boil.
