Looking to Join a Book Club? LOEN Ladies Club Has Two!

Book Clubs are more popular than ever! Whether you're a lifetime reader or you're looking to see what all the hype about book clubs is about, you can satisfy that curiosity with our book clubs. The Ladies Club has two groups - one meets in the afternoon and the other at night. The books chosen don't follow a set theme and are recommended by members. Some are non-fiction but most are fiction and genres have included memoir, biography, mystery, true-crime, historical fiction, and thrillers.

Reading may be a solitary event but getting a group of ladies together to discuss a book blossoms into a unified experience that brings the book to life. Whether you liked the book or hated it, the discussion pulls everyone together by engaging them into insightful, enlightening and often emotional dialogue. Book clubs provide a platform to help the members interact with each other in a way that is meaningful and empowering unlike any other social group. Don't be worried that it's going to be like you're in school again. Our discussions are far from academic and flow organically, encouraging everyone to contribute.

Our meetings usually take place in member's homes with light snacks, wine, and other refreshments served. Facilitators initiate and lead the discussions and members contribute their thoughts and opinions and the conversation begins. Not only do you analyze the books and their characters, settings, and actions but you bring the book to life. You get an intimate social and thought-provoking afternoon or evening.

In July, the Daytime Group is reading *Radium Girls* by Kate Moore, the true story of the early industrial and consumer use of radium and its effects on the workers employed in the dial painting industry. The evening group is reading *Educated: A Memoir* by Tara Westover. This fascinating 2018 book debuted at #1 on the New York Times bestseller list and was named one of its 10 Best Books of 2018.

Ladies, if either of these books pique your interest, let us know and we'll give you information on the next monthly meeting of these clubs. If these books aren't your taste, don't worry we have books chosen for the rest of the year that are available on request. Visitors are welcome to attend a meeting to see if it's a good fit. All you have to do is contact Jeanne at loenladiesclubpresident@gmail.com for details on these clubs and everything else the club has to offer its members.

LOEN Ducks

Did you know that LOEN has a very active Waterfowl Club? We currently have a large group of volunteers who feed the ducks a healthy diet of grain twice each day. We have seen an increase in the amount of bread and other human snacks being fed to the ducks. **We ask that you refrain from feeding them because these foods, especially bread, do not contain the right nutrition they need and can make the ducks ill.** We promise we won't let them go hungry.

Our volunteers have a rotation schedule and designated areas where we place duck food (never near the street or curb). Please use caution and SLOW DOWN as you enter, exit and drive through our community. We have ducks, squirrels, turtles and most importantly children everywhere. Sadly, many ducks and baby ducklings were lost this year due to speeding and careless drivers.

Thank you, neighbors,
LOEN Waterfowl Club Volunteers

Save the Date Saturday August, 10 The Bridgeland Garden Club Presents Randy Lemmon

A vision began in 2014 to create a Bridgeland Veterans Group that would raise funds to build a Veterans Memorial in Bridgeland and support veterans in the community.

Veteran Walt Bohn created an astonishing narrated video of the proposed memorial plan which can be viewed on Youtube. So amazing was this video, that it inspired the creation of The Bridgeland Community Supports Veteran, Inc. to immediately begin fundraising efforts. This year on October 19th, the Bridgeland Community Supports Veterans, Inc. will hold its 4th annual Fun Run/Walk for your Heroes. Save the Date and register early to get our \$5 discount on adult tickets. Register at bridgelandrunforheroes2019.eventbrite.com.

CCS

The Cypress Christian School class of 2019 began the next chapter in their lives after their commencement ceremony on May 24, 2019. As they disperse onto different paths and plans for their lives, they find great peace in resting in God's perfect plan for each of them. Graduates (100%) were accepted to colleges and universities throughout the U.S., 88% to their first choice, with many earning academic, athletic and leadership scholarships. Eight of the 54 graduates (15%) will go on to participate in collegiate athletics this year, participating in football, basketball, track & field and baseball.

The Kindergarten class of 2019 did an outstanding job reciting scripture and entertaining guests with song during their graduation ceremony on Monday, May 20, 2019. The teachers presented character traits to each student, and each student told what they wanted to be when they grew up. It was a great time of celebration. Congratulations to our new first graders!

Cy-Fair Educational Foundation

Cy-Fair Educational Foundation (CFEF) celebrated with Bane Elementary

The Cy-Fair Educational Foundation (CFEF) celebrated with Bane Elementary. For the 4th year

in a row, Bane Elementary has been the Cypress-Fairbanks ISD (CFISD) campus with the largest participation in our Donate to Educate Program. Bane contributes almost \$10,000.00 per year with 2/3rds of their staff participating in the program. This year, the Donate to Educate program raised approximately \$175,000.00 for student scholarships.

The Donate to Educate program is an opportunity for CFISD staff to contribute directly to our scholarship fund. In 2017, a Donate to Educate Endowment was established.

Each year donations made to the DTE program continue to grow this endowment. The first Donate to Educate scholarship was awarded to a graduating senior from Langham Creek High School in May 2018. This year's recipient is a graduate from Cypress Creek High School.

Carrie Marz, Principal at Bane Elementary has been leading her team to the winner's lunch for the last 5 years. She and her staff at Willbern Elementary were

our first winning campus. When Carrie transferred to Bane Elementary in 2014, she set out to make Bane Elementary the top contributing campus. Carrie and her team, along with all our Donate to Educate participants are making an impact in the lives of CFISD graduates.

For more information please contact marie@thecfef.org or visit our website at www.thecfef.org.

Something We'd Rather Not Talk About

By Cheryl Conley, TWRC Wildlife Center

This is a difficult subject to talk about and some will find this article hard to read but it's good information.

Nobody likes flies but at least we can do something about them. We have sprays, dusts, fogs, bait stations, electric fly zappers and when all else fails, the trusty old fly swatter. But wild animals have no defenses against them.

Flies will seek out injured or debilitated animals or other food sources to lay their eggs. Female flies begin laying eggs just a few days after they hatch. They will lay 75 to 100 at a time, five to seven times. The eggs are white and oval-shaped and will hatch into larvae 12 to 24 hours later. At this stage, they burrow into their food source often times an injured animal. From the larva stage, they hatch into maggots and begin eating away at the animal. Maggots eat continuously and although they don't have legs, their mouths have hooks that help them grab the flesh of an animal. If medical help is not sought quickly, the animal will die.

If you see flies circling around an injured animal, it's not good news. You need to get the animal to a wildlife center or a wildlife rehabilitator as soon as possible. In the meantime, place it in a covered box with air holes so the flies can no longer get to it.

If you can't get the animal to a center or to a rehabber, you can use a pair of tweezers, a flea comb or a cleaned mascara brush to remove maggots and fly eggs. It is important that you get EVERY single maggot and every single egg. If you don't, some of the maggots will still hatch and begin eating the animal's flesh. Newly hatched maggots can be difficult to pick off with a tweezers.

We recently admitted an opossum that had fly eggs on it and we were able to save the animal because we got to it quickly. The eggs were removed with a tweezers and a mascara brush. It's a slow process and takes someone with a strong stomach and a lot of patience to do it.

TWRC Wildlife Center is your resource for information regarding wildlife issues. Please feel free to reach out to us with your questions and concerns. If you're interested in volunteering, we have many opportunities available for ages 14 and up.
