Help Make the World a Better Place

Did you know that by opening your home to a foreign exchange student you are taking on the role as a diplomat of the United States? Its true! Hosting a teenager from another country is form of public diplomacy – it gives both the host family and the student an opportunity to learn from each other, exchange cultural experiences and most of all, form life-long relationships.

All that is required of a host family is to provide three meals a day, a place for the student to sleep and a little bit of TLC thrown in. Students can share a room with a same sex sibling that is within three years of their age. The students all come with their own spending money, health insurance and an eagerness to be part of your family.

STS Foundation, a 501(c)(3) organization, is looking for volunteer host families for the 2019/2020 school year. We accept all different types of families, from single parents, to newly marrieds, to empty nesters to same sex couples. The application process is simple, once you are completely vetted, you will have access to our student database where you can select the student that best fits in with your family.

If you would like to find out more about hosting one of our wonderful students, please contact Vicki Odom at (832) 455-7881 or email at vicki.stsfoundation@yahoo.com. I can get you started in helping to make the world a better place to live.

Cy-Fair Educational Foundation

Cy-Fair Educational Foundation (CFEF) celebrated with Bane Elementary

The Cy-Fair Educational Foundation (CFEF) celebrated with Bane Elementary. For the 4th year in a row, Bane Elementary has been the Cypress-Fairbanks ISD (CFISD) campus with the largest participation in our Donate to Educate Program. Bane contributes almost \$10,000.00 per year with 2/3rds of their staff participating in the program. This year, the Donate to Educate program raised approximately \$175,000.00 for student scholarships.

The Donate to Educate program is an opportunity for CFISD staff to contribute directly to our scholarship fund. In 2017, a Donate to Educate Endowment was established.

Each year donations made to the DTE program continue to grow this endowment. The first Donate to Educate scholarship was awarded to a graduating senior from Langham Creek High School in May 2018. This year's recipient is a graduate from Cypress Creek High School.

Carrie Marz, Principal at Bane Elementary has been leading her team to the winner's lunch for the last 5 years. She and her staff at Willbern Elementary

were our first winning campus. When Carrie transferred to Bane Elementary in 2014, she set out to make Bane Elementary the top contributing campus. Carrie and her team, along with all our Donate to Educate participants are making an impact in the lives of CFISD graduates.

For more information please contact marie@thecfef.org or visit our website at www.thecfef.org.

The Cypress Christian School class of 2019 began the next chapter in their lives after their commencement ceremony on May 24, 2019. As they disperse onto different paths and plans for their lives, they find great peace in resting in God's perfect plan for each of them. Graduates (100%) were accepted to colleges and universities throughout the U.S., 88% to their first choice, with many earning academic, athletic and leadership scholarships. Eight of the 54 graduates (15%) will go on to participate in collegiate athletics this year, participating in football, basketball, track & field and baseball.

The Kindergarten class of 2019 did an outstanding job reciting scripture and entertaining guests with song during their graduation ceremony on Monday, May 20, 2019. The teachers presented character traits to each student, and each student told what they wanted to be when they grew up. It was a great time of celebration. Congratulations to our new first graders!
