A vision began in 2014 to create a Bridgeland Veterans Group that would raise funds to build a Veterans Memorial in Bridgeland and support veterans in the community.

Veteran Walt Bohn created an astonishing narrated video of the proposed memorial plan which can be viewed on Youtube. So amazing was this video, that it inspired the creation of The Bridgeland Community Supports Veteran, Inc. to immediately begin fundraising efforts. This year on October 19th, the Bridgeland Community Supports Veterans, Inc. will hold its 4th annual Fun Run/Walk for your Heroes. Save the Date and register early to get our \$5 discount on adult tickets. Register at [bridgelandrunforheroes2019.eventbrite.com](http://bridgelandrunforheroes2019.eventbrite.com)

## CCS

The Cypress Christian School class of 2019 began the next chapter in their lives after their commencement ceremony on May 24, 2019. As they disperse onto different paths and plans for their lives, they find great peace in resting in God's perfect plan for each of them. Graduates (100%) were accepted to colleges and universities throughout the U.S., 88% to their first choice, with many earning academic, athletic and leadership scholarships. Eight of the 54 graduates (15%) will go on to participate in collegiate athletics this year, participating in football, basketball, track & field and baseball.

The Kindergarten class of 2019 did an outstanding job reciting scripture and entertaining guests with song during their graduation ceremony on Monday, May 20, 2019. The teachers presented character traits to each student, and each student told what they wanted to be when they grew up. It was a great time of celebration. Congratulations to our new first graders!

## Something We'd Rather Not Talk About

*By Cheryl Conley, TWRC Wildlife Center*

This is a difficult subject to talk about and some will find this article hard to read but it's good information.

Nobody likes flies but at least we can do something about them. We have sprays, dusts, fogs, bait stations, electric fly zappers and when all else fails, the trusty old fly swatter. But wild animals have no defenses against them.

Flies will seek out injured or debilitated animals or other food sources to lay their eggs. Female flies begin laying eggs just a few days after they hatch. They will lay 75 to 100 at a time, five to seven times. The eggs are white and oval-shaped and will hatch into larvae 12 to 24 hours later. At this stage, they burrow into their food source often times an injured animal. From the larva stage, they hatch into maggots and begin eating away at the animal. Maggots eat continuously and although they don't have legs, their mouths have hooks that help them grab the flesh of an animal. If medical help is not sought quickly, the animal will die.

If you see flies circling around an injured animal, it's not good news. You need to get the animal to a wildlife center or a wildlife rehabilitator as soon as possible. In the meantime, place it in a covered box with air holes so the flies can no longer get to it. If you can't get the animal to a center or to a rehabber, you can use a pair of tweezers, a flea comb or a cleaned mascara brush to remove maggots and fly eggs. It is important that you get EVERY single maggot and every single egg. If you don't, some of the maggots will still hatch and begin eating the animal's flesh. Newly hatched maggots can be difficult to pick off with a tweezers.

We recently admitted an opossum that had fly eggs on it and we were able to save the animal because we got to it quickly. The eggs were removed with a tweezers and a mascara brush. It's a slow process and takes someone with a strong stomach and a lot of patience to do it.

TWRC Wildlife Center is your resource for information regarding wildlife issues. Please feel free to reach out to us with your questions and concerns. If you're interested in volunteering, we have many opportunities available for ages 14 and up.

## *Help Keep Our Neighborhood Beautiful!*

## Help Make the World a Better Place!

Did you know that by opening your home to a foreign exchange student you are taking on the role as a diplomat of the United States? Its true! Hosting a teenager from another country is form of public diplomacy – it gives both the host family and the student an opportunity to learn from each

other, exchange cultural experiences and most of all, form life-long relationships.

All that is required of a host family is to provide three meals a day, a place for the student to sleep and a little bit of TLC thrown in. Students can share a room with a same sex sibling that is within three years of their age. The students all come with their own spending money, health insurance and an eagerness to be part of your family.

STS Foundation, a 501(c)(3) organization, is looking for volunteer host families for the 2019/2020 school year. We accept all different types of families, from single parents, to newly marrieds, to empty nesters to same sex couples. The application process is simple, once you are completely vetted, you will have access to our student database where you can select the student that best fits in with your family.

If you would like to find out more about hosting one of our wonderful students, please contact Vicki Odom at (832) 455-7881 or email at [vicki.stsfoundation@yahoo.com](mailto:vicki.stsfoundation@yahoo.com). I can get you started in helping to make the world a better place to live.
