Bridgeland Garden Club

The Bridgeland Garden Club's Painting Wild Flowers with artist Kathy Rowe was a smashing success. So many folks signed up for the class we had to have two sessions.

The class on July 10th was fun and easy and as you can see by the photo everyone was pleased with their painting. NOTE Photo to be sent on Wednesday which is the day of the class.

So don't miss the next exciting Bridgeland Garden Club Program on Saturday August 10 2 pm at the Lakeland Village Activity Center when well know gardening expert and radio talk show host Randy Lemon, will speak on our common garden problems and how to solve them. Space will be limited so make your reservation now at bridgelandgardenclub@gmail.com General public is invited.

I sent you the flyer about Randy Lemon last month. Plus please put the flyer again in all your publications in this area. We would appreciate it if the Randy Lemon Flyer was on your front page of The Times. He is a very big name in the Houston/Cypress gardening community and is the top gardening radio talk show host in the nation.

Fairfield 4-H is Making a Big Impact in the Cypress Area

by Missy Owles

Established in the summer of 2018, the Fairfield 4-H Club has provided the youth of Fairfield and surrounding communities many opportunities for growth, leadership, and community in its first year. In our first year, we welcomed 30 active members to the club. These members participated in Rabbit Projects, Fishing Projects, Food and Nutrition Projects, and Community Service. As our club continues to grow and prosper, we plan to provide new and exciting opportunities in the areas of Leadership, Sewing, Gardening, Shooting Sports, and Consumer Decision Making.

What is 4-H?

4-H is a national organization which helps young people develop life-long knowledge and skills to become engaged citizens. Through 4-H, members are also taught how to meet the diversities and challenges of today's society by bringing together youth and adults to design programs that will teach skills for living. 4-H is truly a model of "learning by doing" teaching concept. It reaches

people in their communities with delivery methods suitable to their needs. 4-H also helps to provide opportunities for families and communities to develop stronger bonds. The 4-H program is a voluntary, non-formal, educational program offered to all youth.

What Opportunities are available to my youth?

Young people in 4-H learn about citizenship, leadership, foods and nutrition, healthy lifestyles, outdoor education, technology, horticulture, agriculture, entrepreneurship, and much more. The 4-H program uses the learn-by-doing method of instruction to teach members about these subjects. The 4-H project that each member selects according to their interest and ability is the program's

Continued on Page 5)

Continued from Page 4)

cornerstone. Projects involve setting goals and evaluating progress. The skills and knowledge learned in 4-H project work help members become more engaged individuals and citizens. You can visit <https://texas4-h.tamu.edu/projects/> to view all of the projects that are available to your child.

How do you join Fairfield 4-H?

Begin by joining us at an informational meeting on August 19th at 7 pm at Good Shepherd UMC in Fairfield. This meeting will introduce your family to all the opportunities that 4-H

has to offer. We will also lay out expectations for involvement and give you the necessary tools to get started in the programs we have to offer.

How much does it cost?

4-H has a participation cost of \$20 (before November 1st of each year) to \$25 (November 1st and after) to join. Fairfield 4-H ask for a \$15 donation from each member to cover the cost of materials, recognition, and celebration. Some projects clubs might cost something to get started—like, if you want to do photography, you'll need a camera and money to get pictures developed.

Does it matter where you live?

Fairfield 4-H is open to anyone in Harris County.

How old do you have to be?

4-H is for kids of almost any age. If you're in kindergarten, first grade, or second grade, you can be in Clover Kids. From third grade to age 19, you can be in 4-H.

How Can You Help?

Parents are needed to lead special projects, drive 4-H'ers to activities, and much more! Your whole family can be part of a lot of 4-H activities! Club management will provide you with the necessary resources and information you need to lead a project club.

Who are 4-H volunteers?

4-H Volunteers are people who care about the kids and who supervise activities. They are carefully screened and trained to make sure that 4-H'ers are safe.

Find us on Facebook, Fairfield 4-H Club. If you have any questions, please contact Missy Owles, missyowles@gmail.com.

Cypress-Tomball Democrats August Speaker is Representative Jon Rosenthal

The Cypress-Tomball Democrats will hold its next monthly Tuesday, August 20, 2019, at Rudy's Grill and Cantina, 11760 Grant Road, Cypress. There is a meet and greet at 6:30 p.m., and the general meeting begins at 7:00 p.m.

August's guest speaker will be Representative Jon Rosenthal. Congressman Rosenthal has been a strong fighter, advocate and champion for better public schools, healthcare and ensuring we have comprehensive criminal justice reform across the State of Texas. Grateful and fortunate enough to be elected by the great constituents of House District 135 (Northwest Houston - Cypress and Jersey Village), Jon continued his fight in the state legislature to advocate for these issues amongst other needs. He brought a unique background to the chamber as being only one of two practicing engineers in the Texas State House of Representatives and the only mechanical engineer serving in the body.

As a new member to the 86th Legislative session, Representative Rosenthal served on the County Affairs and Energy Resources Committees. Representative Rosenthal will speak on his experiences in the legislature and give tips on electing more democrats in Texas.

All are welcome to attend and to join this growing club, which meets on the third Tuesday of every month.

For more information, contact Undrai Fizer at cytomdems@yahoo.com, or visit the club's Facebook page.
