National Night Out Block Party! Saturday, September 28th 4-6 p.m.

A time when neighbors greet neighbors. Each Village holds their own party. Cul de sacs are blocked off to have a pedestrian safe area for everyone to meet up. Each family brings a dish to share, your own beverages and chairs.

Neighbors always enjoy these events but sometimes wait for others to start them up and get them organized. Why wait – you could be that person! Each Village needs a contact person to get things rolling. All that needs to be done is to fill in the preprinted flyers and distribute them to the neighbors in your Village to let them know where the party will be.

Signs will be posted at the entrance of each of the Villages hosting an event. If you don't see a sign in your Village, you are welcome to join the other Villages in the neighborhood.

If you are interested in being a Village host or have additional questions, please contact Veerle at veerlekurt@msn.com.

LOE School Bus Stops Safety Tips

Reminder

With schools back in session please use extra caution around buses and especially when nearing an active loading zone. All drivers must STOP for any school bus with its flashers on. LOE Security Officers are monitoring the school bus loading zones and enforcing the safety procedures. Please follow their instructions to keep our students safe!

Clubhouse Bus Stop

When dropping off or picking up students at the Clubhouse Bus Stop please use the parking lot in front of the clubhouse to avoid the bus having to maneuver around parked vehicles. Only when the parking lot is full is parking allowed on west side (Clubhouse side) of Lake Center Run, but please be mindful that the bus needs plenty of space at bus stop for students to safely get on and off the bus. Parking, drop off and pick up on the east side of Lake Center Run and on the Clubhouse access road are prohibited at all times. The space between the club house access road and the bridge has been designated bus loading zone and should remain unobstructed during active loading hours. The speed limit in this area has been reduced to 20mph and will be strictly enforced.

Other ISD Bus Stops

All parents are encouraged to park on the same side than the school bus to prevent children from crossing the streets.

LOE Book Club

We meet the 4th Monday of each month at 7:30 P.M. (unless we decide to skip a month or change the meeting day). We take turns hosting the meeting and sometimes change the date or book, so please contact celeste.fritz@gmail.com to get the details for each meeting. Our group has lively discussion (not totally about the books) and we challenge ourselves to read out of our comfort zones. Lots of good books remaining for this year!

September 23 - Caleb's Crossing by Geraldine Brooks

Bethia Mayfield is a restless and curious young woman growing up in Martha's vineyard in the 1660s amid a small band of pioneering English Puritans. At age twelve, she meets Caleb, the young son of a chieftain, and the two forge a secret bond that draws each into the alien world of the other. Bethia's father is a Calvinist minister who seeks to convert the native Wampanoag, and Caleb becomes a prize in the contest between old ways and new, eventually becoming the first Native American graduate of Harvard College. Inspired by a true story and narrated by the irresistible Bethia, Caleb's Crossing brilliantly captures the triumphs and turmoil of two brave, openhearted spirits who risk everything in a search for knowledge at a time of superstition and ignorance.
