## MONSTER MASH IS COMING!

Fall is almost here! We start thinking about cooler weather, football, and fun holidays. Halloween is just around the corner and so is the Spring Trails Monster Mash! The Events Committee is adding a new twist to the event and your help is needed! Have you ever heard of a “Trunk or Treat”? It’s becoming very popular with schools, churches and neighborhoods and it is being added to this year’s Monster Mash. Those who participate will decorate their trunks with a fun Halloween theme and maybe even a game. They will gather together at the Monster Mash event and children and their families will go from trunk to trunk, playing games and getting treats from those passing out candy.

Still not sure what a Trunk or Treat is? There are literally hundreds of photos on Pinterest (just search “Trunk or Treat ideas”) to help give you inspiration! There are even super easy ideas for those who love Halloween but are not a very crafty or creative. Trunk or Treat kits are available on OrientalTrading.com if you are short on time to shop for items. Decorating a car trunk, truck bed, or van is fun for the whole family! And don’t forget your costumes. Even “empty nesters” who are still “kids at heart” will enjoy getting into the spirit and being a part of the fun!

The Monster Mash RSVP email will open soon. Anyone interested in participating in Trunk or Treat can register to reserve a space. A prize will be given to the best decorated Trunk or Treat vehicle!

Spring Trails National Night Out Picnic  
October 1  
6pm - 8pm  
Broadway Elementary School parking lot

## NATIONAL NIGHT OUT! YOU ARE INVITED!

Join the Spring Trails Annual National Night Out Picnic October 1 at Broadway Elementary School.

Enjoy a delicious fried chicken dinner (including sides from Pitmaster BBQ), Kona Ice, and bounce houses, and meet our very special guests, the Montgomery County first responders. Bring the kids and have their photos taken in Constable cars, fire trucks, and ambulance. Sign thank you posters for each department thanking them for their service to our community. The thank you posters will be presented to them at the end of the event.

The National Night Out organization describes National Night Out as “an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.

Millions of neighbors take part in National Night Out across thousands of communities from all fifty states, U.S. territories and military bases worldwide on the first Tuesday in August (Texas and select areas celebrate on the first Tuesday in October). Neighborhoods host block parties, festivals, parades, cookouts and various other community events with safety demonstrations, seminars, youth events, visits from emergency personnel, exhibits and much, much more.”

Visit the National Night Out website at <https://natw.org/> to learn how you can get involved.

## Back 2 School Bash

Labor Day on September 2nd was celebrated in style at the annual Back 2 School Bash! Nearly 350 attended the event! Everyone enjoyed the delicious hamburgers, hot dogs, and sausages grilled by the chefs of Tailgate U.S.A., and the ice cone treats by KONA Ice. The kids loved jumping around in the bounce house after eating their lunch in the shade of the trees.

Many thanks to all the volunteers who worked several hours to make the event possible! Our awesome volunteers were: Dolores and Ralph Jones, Al and Mary Nowak, Marcia and Jerry Rueschhoff, Leanne Kessler, Gerson Batres, Cindy King, Michael LaChapelle, Matt Call, Janelle and Robert King, Lisa and Sarah Miertschin, and events coordinator Ruth Hutyra. And to all those who stayed late to lend a hand with clean up, your help was much appreciated.

The Spring Trails Board of Directors would like to wish all students in Spring Trails a happy and successful new school year!

## Halloween Safety

### Stay safe this Halloween

The National Safety Council offers the following tips to keep you and your children safe this Halloween season.

### Costume Safety

Choose a costume that won't cause safety hazards.

All costumes, wigs and accessories should be fire-resistant.

Avoid masks, which can obstruct vision.

If children are allowed out after dark, fasten reflective tape to their costumes and bags, or give them glow sticks.

When buying Halloween makeup, make sure it is nontoxic and always test it in a small area first.

Remove all makeup before children go to bed to prevent skin and eye irritation.

### When They're on the Prowl

A responsible adult should accompany young children on the neighborhood rounds.

If your older children are going alone, plan and review a route acceptable to you.

Agree on a specific time children should return home.

Teach your children never to enter a stranger's home or car.

Instruct children to travel only in familiar, well-lit areas and stick with their friends.

**Tell your children not to eat any treats until they return home.**

Children and adults are reminded to put electronic devices down, keep heads up and walk, don't run, across the street.

## Kick Off the Autumn Season

Summer can wreak havoc on lawns and flower gardens. Buchanan's Native Plants offers these tips for repairing and sprucing up your lawn and garden; visit [www.buchanansplants.com](http://www.buchanansplants.com) for gardening tips by the month.

Clean out all the dead leaves and florals from your garden and flower beds.

Plant fall and winter color like pansies, dianthus, snapdragons, alyssum, ornamental kale and cabbage, dusty miller, etc.

"Plant bulbs by the Holidays"

- Between Halloween and Thanksgiving, plant crocus, anemones, freesia, ranunculus, alliums, lycoris, etc.
- Plant paperwhites in pots by November 11th (Armistice Day) for blooming in time for Christmas.
- Refrigerate tulips until New Year's Day, then plant every two weeks through Valentine's Day for longer bloom time.

Plant new trees, shrubs, rose bushes and perennials.

Move and divide existing perennials while they are dormant or growing slowly.

Plant wildflower seeds through November (bluebonnets, paintbrush, larkspur, etc.)

Mulch, mulch, mulch -- the mulch you applied last spring is long gone! Protect roots and maintain moisture while keeping weeds to a minimum with a 3-inch layer of the mulch.

Replace dead grass with St. Augustine sod.

Winterize your existing lawn with an organic, slow release fertilizer.

- candy corn
- assorted seasonal sprinkles
- additional candies of your choice
