## BRIDGELAND'S VETERANS DAY FESTIVAL 2019

On November 10, 2019 Bridgelanders gave thanks to those men & women who have served and those who continue to serve today so that American can sleep peacefully at night.

The War on Terrorism has helped us all realize how truly unique the American way of life is. The freedom we enjoy is extremely special, and that is why we must defend it. Veterans Day is the time to not only honor those have fought or are

fighting for our freedom...it is also the time for each of us to take part in protecting & cherishing freedom. The defense of freedom is not just for those in the military; each of us shares that responsibility.

Many special thanks to the Bridgeland Community Supports Veterans, Inc. taking part in that responsibility by organizing this special event.

## 5 Tips to Ward Off Cold Weather

Colder weather brings plenty of changes, especially in the ways you take care of your home and self. Especially when the temperature drops, extreme winter conditions can play havoc not only with your skin and health, but also your family's comfort.

Take steps to protect your family and household as the weather starts to cool this season with these practical tips:

*Take steps to help prevent the flu.* As temperatures drop, the chances of getting sick rise. That's partly because certain germs and viruses thrive in colder temperatures, and because the cold puts extra strain on your immune system. When it is cold outside, people are also more likely to spend time indoors (and in closer quarters) where germs are more easily spread. Do your part to help prevent the flu by washing your hands often and covering your mouth or nose when you cough or sneeze. Also be sure to stay home if you're sick and avoid exposing others to your illness.

*Prepare your wardrobe.* Colder weather outside means more skin sensitivities and dryness. Long pants and sleeves don't just add warmth; they also protect your skin from harsh outdoor elements.

When you haul your winter wardrobe out of storage, start the season on a comfy note by washing everything with an option like 'all Free Clear Liquid Detergent or Mighty Pacs. It's the No. 1 laundry detergent brand recommended by dermatologists, allergists and pediatricians for sensitive skin due to its hypoallergenic formula.

*Dress in layers from head to toe.* Bundle up with winter accessories to match the daily weather forecast. For chillier mornings and nights, cover exposed areas such as your head with a hat, neck with a scarf and hands with gloves. To accommodate warmer weather during the day, layer flexible clothing options to accommodate temperature shifts.

*Stay active.* Physical activity naturally warms your body in the short term. In fact, shivering is your body's natural physical response to generate body heat when you're cold. Aside from the immediate benefits, keeping active during the colder months can help in other ways, too. A healthy cardiovascular system keeps your blood flow steady and strong, and a good circulatory system plays an important role in keeping your body, and especially your extremities, warm when temperatures take a dip.

*Nourish your body and skin.* Preventing painful dry cracks and itchy, scaly skin is a job that requires attention inside and out. Externally, moisturize shortly after showering to trap in the water lingering on your skin, use extra lotion throughout the day on areas prone to drying and reapply lotion after washing hands. Remember to protect sensitive spots like your lips that can easily chap and crack. You can also prevent dry skin by ensuring you're drinking plenty of water and eating a healthy diet with plenty of essential vitamins and healthy fats.

## Protect the World's Children this Holiday Season

The holidays signal a time for family gatherings, traditions and the spirit of giving. Make this holiday season even more meaningful by giving gifts that help children in need around the globe.

According to UNICEF, around 15,000 children die every day from preventable diseases. In over 190 countries, the organization's staffers are in the field working through war zones, natural disasters and disease outbreaks, doing whatever it takes to save children's lives. This holiday season, you can join the charge by choosing gifts that give back.

With Inspired Gifts, you can provide supplies in the name of a loved one that get delivered directly to children who need it most. Just \$19 can provide polio vaccines to protect 100 children from the deadly disease. Additional life-saving and life-changing options including food packets, educational materials and menstrual hygiene kits can be found at [unicefusa.org/HolidayInspired](http://unicefusa.org/HolidayInspired).

If you are looking for stocking stuffers and unique finds, UNICEF Market has a vast collection of handcrafted items made by artisans from around the world. From blankets woven in India to recycled glass pitchers crafted in Mexico and more, these gifts help support the artisans and their families, keep traditional skills alive and give back to essential programs for children. Start checking off your wish lists at [unicefusa.org/HolidayMarket](http://unicefusa.org/HolidayMarket).

As part of Louis Vuitton's #MakeAPromise pledge, a specially designed

product line of Silver Lockits is available, helping to protect children who have been exposed to diseases, natural disasters and other conflicts that threaten their safety and well-being. \$100-\$250 of each purchase go to programs that help children most in need. Find out more at [louisvuitton.com/lvforunicef](http://louisvuitton.com/lvforunicef).

This year, Garnier USA will donate \$1 to UNICEF USA for every Whole Blends Holiday Kit sold through Dec. 31 with a minimum donation of \$300,000. Each kit purchased helps educate a child for up to one week, as it costs around 15 cents to help educate one child per day. Learn more at [garnierusa.com/unicef](http://garnierusa.com/unicef).

Vitamin A is important for strengthening the immune system and preventing childhood blindness. Through Dec. 31, L'OCCITANE will donate \$3.95 for each Solidarity Soap purchased to support UNICEF's Vitamin A supplementation programs around the world. Available in stores or at [loccitane.com/en-us/solidaritysoap](http://loccitane.com/en-us/solidaritysoap).

A holiday favorite since 1950, UNICEF Greeting Cards can be purchased at IKEA, select Hallmark Gold Crown® stores and online at [hallmark.com](http://hallmark.com) and [unicefusa.org/HolidayCards2019](http://unicefusa.org/HolidayCards2019). One hundred percent of the purchase price of each pack from IKEA will go to support the world's most vulnerable children.
