## Gratitude Does More Than Help Your Attitude... It's Great for Your HEALTH!!!

Research shows the practice of gratitude can have profound and lasting effects in a person's life. Practicing gratitude can reduce blood pressure, improve immune function and boost the quality of sleep. In heart patients, it has resulted in reduced inflammation and healthier heart rhythms.

Life has its ups and downs. Things often don't run perfectly. There are trials. So perhaps showing gratitude can help "lighten" them. Search for a lesson, benefit or blessing in disguise during a trial.

Studies have shown that recognizing our blessings, especially during times of difficulty and strife, can lower rates of post-traumatic stress and help us feel more resilient. That means even during stressful times, we'd be better able to cope.

Holidays bring many people together. Practicing gratitude also helps us see what loved ones do for us and how they add to our lives. It makes us more likely to express appreciation to those around us.

Gratitude has also been shown to have an impact on the immune system. People who are more thankful tend to sleep better because focusing on blessings soothes the nervous system. So, the next time we are tossing and turning, let's try counting the good things in our lives to help us rest better.

The New Year will soon be upon us. Perhaps you will have similar

resolutions to mine... Serve others, Be grateful, Love yourself, Take care of your health and Strive for peace and joy.

Wishing you a very BLESSED 2020!

Donna Konopka

Wishing you and yours Prosperity,  
Good Health and Happiness in  
2020!

Buying, selling or relocating, let me  
help you find that special place to  
call your own.

\*\*\*IMPORTANT REMINDER\*\*\*

WASTE MANAGEMENT PROCEDURES FOR RESIDENTS IN SECTIONS 1,2,3

COLLECTION DAYS are Mondays (trash) and Thursdays (trash and recycle).

BULK SERVICE DAY is the SECOND THURSDAY OF EACH MONTH.

The 96-gallon waste cart with green lid will be used for our normal trash and grass clipping bags. Loose trash bags or bags left by yard maintenance workers will no longer be picked up by the automated collection trucks unless they are inside the green waste carts. If there are too many loose bags to fit in the cart on normal collection days, they will be picked up on the bulk service day.

Acceptable Bulk Items include broken down and bundled moving boxes, old furniture, bagged grass clippings, leaves, branches and tree trimmings. Branches and tree trimmings that are tied and bundled should be no more than three inches (3") in diameter and four-foot

(4') in length and weighing no more than forty to fifty (40-50) pounds.

Additional Information:

- Your service carts must be placed at the curb to be serviced. Place carts 4 feet from obstructions (such as mailboxes and cars) and within 1 foot from the curb. Keep area around the service cart clear for easy access by collection truck.

Please remember that Woodwind Lakes Deed Restrictions prohibit putting trash, recycle or bulk items being put out to the curb more than 24 hours before pickup.

If you have any questions about the curbside automated side load (ASL) collection, please call Waste Management's Customer Service department at 800-800-5804 or you may email questions to cssatex@wm.com.
