# Angela Frankhouser named Rough Hollow Elementary principal

(Lakeway, TX) – Angela Frankhouser, currently serving as principal of Lake Travis Elementary School, has been named principal of Rough Hollow Elementary School, Lake Travis ISD Superintendent Dr. Brad Lancaster announced January 6.

“Mrs. Frankhouser will officially begin her tenure as principal of Rough Hollow Elementary on Tuesday, January 21,” said Dr. Lancaster. “As she begins her transition and prepares for

the opening of Rough Hollow Elementary in August, Mrs. Frankhouser will be working temporarily from the LTISD Administration Building. In her absence, I have appointed Mary Patterson to serve as interim principal at Lake Travis Elementary School for the remainder of the school year. Ms. Patterson is an accomplished school administrator who most recently served as interim assistant principal at West Cypress Hills Elementary School last spring. Senior staff and I will work with our Human Resources Department to post the Lake Travis Elementary principal position in February. In the interim, please join me in congratulating Mrs. Frankhouser on her new position.”

Mrs. Frankhouser possesses nearly 25 years of wide-ranging experience and success in public education, having served in various classroom and administrative roles. She began her career as a science teacher at the Austin Independent School District. In 2006, the Lubbock native joined Lake Travis High School where she taught biology and chemistry and also served as a TAKS Specialist before being promoted to assistant principal. Mrs. Frankhouser then served two years as assistant principal at Lake Travis Elementary School before being promoted to principal, a position she has held since 2013. She earned a Bachelor’s degree in Science from the University of Texas and a Master’s degree in Educational Administration from Concordia University. Mrs. Frankhouser and her husband, Jason, have two children—Jake and Ace, both of whom attend Lake Travis High School.

Located in the Rough Hollow community, Rough Hollow Elementary School was designed by Pfluger Architects and is being built by Bartlett Cocke General Contractors. The \$33 million facility will encompass more than 102,000 square feet and will

## Art Exhibition Showcases Work From Lake Travis Elementary Students

The greater Austin community is invited to the 2020 Youth Art Month Exhibition at the Lake Travis Community Library on display from March 2 through March 29, 2020. The exhibition is hosted by the City of Lakeway's Art Committee in partnership with the Lake Travis Community Library. It will feature artwork from Lake Travis ISD elementary students.

Youth Art Month is celebrated across the United States and the Lakeway Arts Committee is proud to showcase select works from the Lake Travis ISD Elementary Visual Arts program. It will coincide with the national celebration of art programs in schools. A closing reception will be held on March 29, 2020 from 1:30-3pm.

The Lake Travis Community Library is located at 1938 Lohman's Crossing Rd, Austin, TX 78734 and open from Monday through Thursday, 9:00 a.m. - 7:00 p.m.; Friday, 9:00 a.m.-6:00 p.m.; Saturday, 9:00 a.m. - 4:00 p.m. and Sunday from 12:00 p.m. - 4:00 p.m.

have the capacity to house 850 students. Special features include a high-efficient, Energy Star building envelope that makes use of geothermal wells that will conserve operating costs for heating and cooling; a Main Distribution Frame room with windows to the corridor to create student interest in the building's network system; a full-size basketball court inside the gym with cushioned vinyl flooring; outdoor learning and story areas at the library's exterior; outdoor dining areas adjacent to playscapes, play fields and basketball courts; and storm water drainage directed to bio-retention basins that support site landscaping. The project is part of the district's \$253 million bond program approved by voters in November 2017.

For more information, contact the Lake Travis ISD Office of Communications at (512) 533-6046.

## Homestead wins Christmas Challenge

The Bee Cave Police Department created a Christmas challenge between Bee Cave subdivisions and apartment complexes for providing the biggest donations of toys for Blue Santa. The Homestead subdivision beat Falconhead,

Spanish Oaks and Ladera with the most toy donations to win the Blue Santa trophy! The toys and gift cards from all of Bee Cave residents were donated to Safe Place, Shepherd of the Hills Lutheran Church and to individual families.

## Lake Travis Reads

### *The Secrets We Kept by Lara Prescott*

*Popular cultural education program features bestselling author*

Now entering its thirteenth year, LAKE TRAVIS READS 2020 will feature the new book by acclaimed Austin author Lara Prescott, *The Secrets We Kept*, which became an instant New York Times Bestseller and was selected by Reese Witherspoon for her Hello Sunshine book club.

At the height of the Cold War, two secretaries are pulled out of the typing pool at the CIA and given the assignment of a lifetime. Their mission: to smuggle Doctor Zhivago out of the USSR, where no one dared publish it, and help Pasternak's magnum opus make its way into print around the world. Glamorous and sophisticated Sally Forrester is a seasoned spy who has honed her gift for deceit all over the world--using her magnetism and charm to pry secrets out of powerful men. Irina is a complete novice, and under Sally's tutelage quickly learns how to blend in, make drops, and invisibly ferry classified documents.

*The Secrets We Kept* combines a legendary literary love story--the decades-long affair between Pasternak and his mistress and muse, Olga Ivinskaya, who was sent to the Gulag and inspired Zhivago's heroine, Lara--with a narrative about two women empowered to lead lives of extraordinary intrigue and risk. From Pasternak's country estate outside Moscow to the brutalities of the Gulag, from Washington, D.C. to Paris and Milan, *The Secrets We Kept* captures a watershed moment in the history of literature--told with soaring emotional intensity and captivating historical detail. And at the center of this unforgettable debut is the powerful belief that a piece of art can change the world.

Lara Prescott received her MFA from the Michener Center for Writers at the University of Texas, Austin. She was previously an animal protection advocate and a political campaign operative. Her stories have appeared in *The Southern Review*, *The Hudson Review*, *Crazyhorse*, *Day One*, and *Tin House Flash Fridays*. She won the 2016 *Crazyhorse Fiction Prize* for the first chapter of *The Secrets We Kept*. She lives in Austin.

The community is invited to hear Prescott speak at the 2020 LAKE TRAVIS READS "Evening with the Author" on Wednesday, February 26, 2020 at 7:00 p.m. at the Bee Cave Public Library, located at 4000 Galleria Parkway inside Bee Cave City Hall in the Hill Country Galleria. The event is free and open to the public. Copies of the book will be available for purchase and signing.

LAKE TRAVIS READS is a "One Book, One Community" program co-sponsored by Bee Cave Public Library, Lake Travis Community Library, and Spicewood Community Library that encourages the community to read the featured title and then meet the author at a special evening event. Copies of the featured book are available at the libraries for checkout in a variety of formats including print, audio, and digital.

For more information, visit [www.laketravisreads.org](http://www.laketravisreads.org) or any of the participating libraries.

## Why Not Host?

The decorations are packed away, gifts have been exchanged and life is back to normal once again. Why not bring a little excitement into your life by hosting a foreign exchange student!

Each of our students is fluent in English, comes with their own spending money and health insurance. Most importantly, they come with a dream to spend a year in the US so they can experience life as an American teenager!

Hosting is a very great way of bringing new cultures into your family, home, school and community. Speaking as the host mom to 14 different exchange students, I can say that this is one of the best decisions I've made in my life.

STS Foundation accepts all of host families – from single parents, newly marrieds, empty nesters and same sex couples. In order to host, you would need to meet the following qualifications:

- Host must be 25 years or older
- Pass a background check
- Provide food for 3 meals daily
- Ensure reliable transportation to and from school (bus is ok)
- A bed for your student
- A safe and loving home

STS Foundation is a 501(c)(3) organization that places foreign exchange students with American host families. For more information about hosting, please contact Vicki Odom at 832-455-7881 or email at [vicki.stsfoundation@yahoo.com](mailto:vicki.stsfoundation@yahoo.com).
