New Look at LOE

The stucco arched wall behind the clubhouse and over a waterfall had been showing signs of deterioration. It was recently removed and natural rocks were used to give the waterfall a natural look more in keeping with the style around the rest of LOE.

Maintenance/Project Highlights for May 2020

Recent Maintenance/Project Highlights

- Replaced fogging front section of windows at the Clubhouse.
- Installed conspicuous RESIDENT ONLY signs for Ginger Pond and Heather Run gates. Signs were installed as close to Tanner as Harris County will allow, in hopes that Visitors will be guided to the Eldridge gate before turning into these gates and being forced to make a very difficult U-turn or choosing to tailgate illegally behind a resident.
- Removed decaying stucco wall over water fall between Lakes A-1 and A behind the Clubhouse. Stucco wall was replaced by a single layer of stones matching the existing stones surrounding the overflow basins on each side of the water fall. Finished product is very attractive and greatly improves the long range views of our lakes and surrounding custom homes in this area.
- Power washed all dirty brick walls in the Common Areas. Also replaced dead bushes along these walls and sodded areas near Ginger Pond gate that were particularly ugly.
- Repaired Main Room and Flex Room TVs that had lost sound, probably due to a power surge/outage
- Replaced both flagstone sidewalks at Clubhouse Playground area with two concrete sidewalks since the loose flagstone was difficult to maintain in a safe condition. Also replaced a few sections of Common Area sidewalk that were broken or had to be removed for irrigation repairs.
- Repaired a couple tennis court lights.
- Repaired broken Fob access mechanism for south Clubhouse gate.
- Replaced defective ATT modems for cameras at Ginger Pond and Heather Run.

PEDESTRIAN RIGHT OF WAY ON WALKWAYS

With the higher than normal volume of neighbors out on the common walkways, please keep in mind that pedestrians typically have the right of way on the walkways and bicycles should yield the right of way. Of course if walkers see smaller, inexperienced children riding bicycles, it may be in your best interest to step off the path until riders have passed for the safety of all parties.

EASTER BUNNY SEEN IN LOE!

The Easter Bunny made an appearance in Lakes on Eldridge on Saturday, April 11th. Residents Ginger and Rob Rome drove the Easter Bunny around the neighborhood so the LOE kids could see the bunny, but remain physically distanced and safe. The kids enjoyed seeing the bunny and were excited to hunt Easter eggs at their homes the next day.
