Fund Assistance for Veterans in Need due to COVID 19

The Bridgeland Community Supports Veterans, Inc. would like our community to know that during this unprecedented time of uncertainty due to COVID 19, that our Veterans can rely on us. We created a

fund to first assist those Veterans in our immediate vicinity (Bridgeland) and then we assist Veterans who live close to Bridgeland (i.e within 7 miles) . If you know of a Veteran that has been impacted by COVID 19, who may need assistance with paying their mortgage or a bill, please let us know by briefly explaining if you were laid off, furloughed, closed down, etc. We have a vetting committee that will read all request and make sure it falls within our guidelines.

We do have a lifetime and a yearly limit on the amount of financial assistance with which we can help . These limits are subject to changes. In order to receive financial assistance, please provide us with a copy of your DD214 to SBueno6@yahoo.com , a copy of the bill that needs to be paid and a brief explanation of the circumstances. We pay directly to the company. If groceries or other items are needed, please explain and we will see what we can do. Veterans, thank you for your service!

THE BRIDGELAND GARDEN CLUB

PRESENTS

Wednesday August 5th 9:30 am “Landscaping Design Principles – Landscaping for Nature.”

Liaisons: Nancy Hanson & Kay Burkhalter RSVP to Nancy at ericnanc@earthlink.net

Location: Lakeland Village Activity Center- Sandpiper Room. This is the largest room at the Activity Center where there is plenty of room to social distance but you must wear a mask. We will doing a Zoom meeting of this class as well for those who do not feel comfortable coming in person. Details on how to signup for the Zoom Meeting will be provided later. Please RSVP to Nancy and tell her whether you will be attending in person or by Zoom by Monday August 3rd at 5 pm.

Program Activity: Master Gardener Mary Karish will present “Landscaping Design Principles – Landscaping for Nature.”

Landscaping design is an art much like arranging furniture in your house. Colors, size and shape of your plants must meet your taste and your needs. In planning and maintaining a garden, attention to hardscape and softscape is basically creating an outdoor living space that you can enjoy and easily maintain in the heat of summer and in the cold of winter. The presentation will also highlight landscaping failure projects with the goal of avoiding common mistakes and misconceptions about garden maintenance.

Garden Club members can submit photos or description of issues that trouble them. Submissions should be emailed by August 1st to Nancy Hanson. Then Mary Karish will give ideas/ solutions at the time of the event. Th

Ten-dollar fee if you are not a paid member of the Bridgeland Garden Club.
