WELCOME RESIDENT BOARD MEMBERS

At the Eagle Springs Community Association Annual Meeting held on June 11th, the Neighborhood Voting Representatives elected 3 resident Board members. Mike Hamlin and Bill Schroeder were re-elected to another term, and Cynthia Grizzle was elected to her first term.

Cynthia Grizzle is a resident of the Biscayne Bend neighborhood in the Eagle Springs Community. Cynthia has lived in Eagle Springs for 10 years with her husband and two kids. Her son attends Atascocita High School and her daughter is a freshman at Sam Houston State University. Cynthia's mother is also a home owner in Eagle Springs. Cynthia is the Sr. Director of Asset Protection for Macy's Inc, with nationwide responsibility for both Macy's Stores and the Macy's Inc. Supply Chain Network. Cynthia is experienced in managing multi-million dollar budgets, and in managing large teams. The nature of Cynthia's job requires fast decision making and frequent crisis management on both a local and a nationwide scale. Cynthia is also familiar with civil and criminal legal processes. Cynthia is adept at negotiating favorable outcomes with a variety of people. Cynthia is deeply committed to the Eagle Springs Community and eager to get involved!

Welcome Cynthia! And thank you to all of our Board members who volunteer their time for their community!

Amenity Update

Splash Pad has reopened. Please note the updated Splash Pad Policies updated for COVID-19.

The water features – with the exception of the high dive- have been reopened. These features include the low dive, slides, and activity gym at the Island Club pool. The high traffic touch points on the high dive cannot be sanitized safely on a routine basis and will remain closed until further notice.

Please note that no guests are currently allowed at any of our facilities and that a waiver form must be on file for your household before you can access the amenities.

The gym remains closed until further notice. While the Board is still looking at ways to reopen in accordance with local and state ordinances, please note that this indoor facility is not monitored and does not have any sanitation processes in place.

The clubhouses, both Eagle Springs and Valley Springs, will remain closed indefinitely to both private and non-profit groups. Again, these indoor facilities do not have staff and supplies to sanitize the facility after every group who uses the clubhouses. Please note that Eagle Springs has several parks and pavilions that are open to residents on a first come, first serve basis.

WAIVER FORM

Please note that all amenity use requires a waiver form to be signed and on file for your household. The waiver is a one time signature needed document and covers everyone in your household, including minors.

Instructions on what you will need to sign the waiver, and the link to sign it digitally, can be found here at: <https://www.insideeaglesprings.com/recent-news/>

The waiver can also be found on each pool page on InsideEagleSprings.com.

Waivers will take 72 hours to process. If your waiver has an issue, you will be notified via email on how to remedy the issue. The easiest way to see if your waiver has gone through is to check and see if your Amenity ID card allows you into the Splash Pad. The access system will light green if your card has been turned on.

Your card will not work if 1) you do not have a waiver on file or 2) you have an outstanding balance with the Association.

You will need an Amenity ID card for every member of your household to correctly fill out the waiver. Amenity ID cards are single cards with a picture and name on the front, and a series of numbers on the back. If you have a card with dates or stickers along the bottom, you do not have an Amenity ID card and need to get one from the Onsite Office.

Instructions on how to get Amenity ID cards can be found on InsideEagleSprings.com under HOA -> Amenity Cards.

Lake Houston Ladies Club

The Lake Houston Ladies Club is a social organization that meets from September through May for a luncheon on the third Tuesday of the month at the Walden Country Club, 18100 Walden Forest Drive in Humble, TX.

The club welcomes new members from all surrounding areas and offers many avenues for individual interest. They include: Hand Knee and Foot, Shooting Club, Travel Club, Scrabble 'N Babble, Bunco, Artsy Smartsy, Movie Group, Mah Jongg, Lunch 'N Look, Supper Club, Mexican Train, Readers' Choice, Game Day, Tea Time and Bridge. There are also events during the year that include spouses or significant others. The club is an excellent way to meet new people and make new friends.

New members are welcome to join at any time. Normally, some groups meet during the summer. For more information about the club, please see our web page at <http://www.lakehoustonsladiesclub.com> or call Betty at 832-633-2991. As we are still dealing with COVID-19 closures and restrictions, most of our activities are currently suspended.

Please check our website periodically for updates.

Health & Safety First

Since the first Primrose school opened in 1982, the health and safety of children and staff has always been the priority. Each Primrose school is held to high standards of safety and cleanliness while maintaining a caring and nurturing environment where children can thrive.

Health & Safety Practices In Place

- Requiring any children or staff with respiratory illness symptoms or fever to return home and stay home until fever free for at least 48 hours
- Frequent disinfecting and sanitizing of high-touch toys and surfaces
- Frequent handwashing by children and staff, which is embedded in our curriculum and in daily staff protocols
- Daily laundering of crib sheets for infants; for older children, individual cots and blankets are provided for each child and laundered weekly
- Training teachers on common signs of illness in children, and placing signage in every classroom to keep symptoms of illness top of mind
- Continuous health & safety training for Franchise Owners and staff, including first aid and CPR certification
- Maintaining an up-to-date and customized Safe School Plan posted in all classrooms for easy teacher access
- Ensuring lower teacher-student classroom ratios than required by the state
- Temperature checks for children and staff
- Touchless check-in
- External drop-off and pick-up of children
- Limiting use of playground equipment to one classroom at a time and disinfecting playground equipment before and after each use
- Consistent compliance with Department of Health and Human Services mandates in keeping with CDC Guidelines
- Timely communication with parents
