NAME CHANGE FOR FAIRFIELD SENIORS OF CYPRESS

Traveling Seniors of Cypress, formerly known as Fairfield Seniors of Cypress, is a group of fellow travelers mainly from in and around Cypress. They enjoy at least one, sometimes two, day trips a month. The buses are provided by Precinct 3 free of charge. Their trips run the gamut from art museums to Presidential Libraries, Festivals to major league games. Plus, they squeeze in a lot of good eating to go along with their travels.

They also conduct several longer excursions to explore more of Texas and discover America's vast beauty and history. "Since we started," Jo Ann Lambert, trip coordinator, explained, "we've taken trips to Branson, Missouri, Pigeon Forge, Tennessee, and the Texas Wine Country. We also had another Texas Wine Tour and a trip to New Orleans scheduled for the spring. But, both were canceled due to the COVID-19 lockdown.

"It all began a few years ago when Jackie Devine and I discovered that the senior trips in Fairfield had been discontinued. "With both of us relatively new to the area, we wanted to build a strong circle for friends. Plus, we knew that there were plenty of other baby boomers, ages 50 and above, in the area looking for travel and adventure, but needing the trips to be reasonably priced. We felt that we had the answer.

"Our first stop was Precinct 3 to see if we could schedule busses for our area. Once we had that in place, we met with Bill Cook, who circulates the Fairfield Fifty Plus Fun-Loving Groups Weekly e-Newsletter, to see if we had everything in order. After that, we were in business. Our trips were full from the very beginning with like-minded seniors looking to explore the world, safely and cost-effectively.

"Before long, we began getting calls from as far away as Spring, Pearland, Baytown, and from all over Harris County. Because of the broader appeal, we decided to change our name to Traveling Seniors of Cypress to help the outlying area know they were welcome to join us.

"Currently, we have several short-distance trips planned, and two that will take us out of Texas. One will be to Nashville in November 2020, and the other to New Orleans in the spring of 2021. For those two trips, since they are extended adventures, we would be delighted to take along folks under 50 if they would like to hitch a ride."

The fun and relaxation of a group trip can add zest and happiness to any-one's life. While enjoying a change of scenery and traveling safely in a relaxed environment, travelers will likely make new friends, relieve a little stress, and add a little to pep to their step!

Their next major will be to Nashville on November 29th, 2020. For more information contact Jo-Ann Lambert: pstlgrl@gmail.com or Jackie Devine: jackie.devine@comcast.net

BARRED OWL GETS NEW LEASE ON LIFE

Storyline contributed by Christina Gaudin-Morgan

A few weeks ago, Christina Gaudin-Morgan, living in Saddle Ridge Estates, let her dogs out to exercise, and they found a young barred owl under the lanai nestled into the firewood area. She immediately took them back inside, thinking the owl felt trapped and would fly away when the coast was clear.

A few hours later, it was apparent that the owl was injured. After searching around for help, she located Friends of Texas Wildlife, a 501(c)(3) non-profit organization where 100% of all donations support native Texas wildlife. It's located at 29615 Highland Blvd, in Magnolia.

The next day the Friends of Texas Wildlife called Christina and told her the owl had a wrap on its wing and, when ready, would be put with the other young owls they had in larger flight cages to strengthen the wing.

They also invited her and her family to participate in the release of another barred owl they have at a park in Cypress and her owl when they were both ready to fly.

On Wednesday, July 29th, her daughter, Juliana Morgan, her boyfriend, Robert "Bobby" Gillis, Jr., and Christina met one of the volunteers from Friends of Texas Wildlife, at Cypress Park on Eldridge. They participated in the release of three rehabilitated barred owls, including their rescued owl, Little Hoot.

Friends of Texas Wildlife release rehabilitated barred owls at Cypress Park regularly. We hope that Little Hoot and the two others can locate some of their previously released cage mates. More than likely, they will migrate and home elsewhere but are initially scared on their first day released.

This was an extraordinary experience that helped teach that human purposes vary. On the day that they found Little Hoot, they realized their mission was to aid creatures with whom they were blessed to share this earth. He needed their help. They are thankful for Friends of Texas Wildlife and the volunteers and donors who aid in preserving our Texas wildlife animals.

LAKES OF ROSEHILL

The Flight of the Booze Fairy

by Jen Ramirez

At a time when our country seems to be so divided, one Cypress community is working hard to change that. There is a network of selfless women working hard to perform acts of kindness daily to strangers. These women, who have come to be known as the Booze Fairies, are a collection of women pouring their creative side into gift baskets to surprise random neighbors.

The craze started after a Houston affiliated group started the trend, and because of the outpouring of support in Cypress, Christel Garcia founded the Cypress chapter on social media. The random acts were founded on very simple ideas for women of ALL ages and have grown to almost 800 members strong. Member/members of the group put together gift baskets, typically with themes from “Colors of the Rainbow” to “Everything but the Coffee” filled with fun dish towels, cocktail ingredients, sweet treats, fun candies, and uplifting messages.

The creator of the basket then posts a picture of their contributions, and at that point, requests with addresses from other members (usually strangers) come pouring in asking to be “boozed.” Once the Booze Fairy selects a random person, the gift basket is left on that person’s porch for a sweet surprise upon arrival. Then the trend is continued by the recipient and has been going strong ever since!

Having been under stay at home orders associated with the pandemic has brought out the fun and creative side of these women. And more importantly, it has pulled together this community of females with the only mission of making someone’s day. There are daily posts of women who have had a rough day due to job loss, loved ones sick with COVID, moms overwhelmed by children at home for months, and any other possible challenge they face only to be met with a random stranger reaching out with generous gifts specifically for them.

One member of the group “boozed” another member and received the following note from the recipient that read, “Thank you! I have never felt a part of anything. You did that for me!” The amount of uplifting attributed to this one group has surpassed everything anyone could have ever imagined.

These women have served as role models in such a way that younger eyes have been watching and learning. Daughters of members have taken on a life of their own creating “Juice Fairies.” It is the same concept, but their baskets are filled with childhood favorites like Capri Sun, coloring books, small toys, and handmade bracelets. Seeing these incredible acts of kindness are simple reminders that there are people in this world, leaving this little piece of Texas a bit better than they found it.

Texas ChalleNGe Academy

By Stacey Parke

Texas ChalleNGe Academy is a 5 1/2 month quasi-military residential academy sponsored by the Texas National Guard. It is a tuition free educational program for 16-18 year old teens who are disengaged in school. We offer academic instruction, provide structure, and discipline to help our cadets develop personal accountability and become successful adults.

Mission

The mission of the Texas ChalleNGe Academy is to reclaim the potential of at-risk youth through education, training, mentoring and service to community.

Vision

The vision of the Texas ChalleNGe Academy is to be recognized as the state's premier program for the alternative education of at-risk youth and high school dropouts.

This is a wonderful program that my son attends. While the boys and girls are at the academy they are not allowed to go home or have visitors for 5 1/2 months.

The only interaction they have with the outside world comes from letters that family and friends write them. Some of the students come from backgrounds where they do not have someone to write them. I am asking you today if you would be willing to commit to write a boy or girl a couple times a month. This would be a simple letter of encouragement. They can only receive letters so no tokens of any kind.

Please email me at Stacey.parke@cfisd.net if you are interested and I can connect you with a boy or girl in need. Thank you!
