Notes from Your Editor

by Jackie Devine

It's Fall, Y'all! Enjoy the leaves changing where you can find them—even if they are Facebook pictures from your friends up East. And, oh yes, get out there and pick a pumpkin.

As you all know, I write this column a month ahead of publication. As I'm getting ready to go press today, looking out my window, I'm watching lots of

happy parents and kids either walking to school or eagerly waiting at the bus stop to hop on board and join their friends and teachers for the first time since March. Now that it is October, I hope everyone still has a smile on their faces and a song in their hearts.

I received calls and e-mails asking why my editorial wasn't in the Fairfield Community Gazette's September issue. I heard that several of you thought that I was no longer with Peel, Inc. Here is the scoop: Since we had more stories than we had space, and I felt every story was newsworthy, I gave up my space so that we could fit all the information in that issue.

This month we may not have as many articles, but we have an overabundance of worthy photos. We may run into that same problem this round.

Our area is blessed with a new Aggie veterinarian. There are two things everyone knows about us. We love our Aggie trained vets, and Cypress, especially Fairfield, probably has more dogs and cats than we have children. So when it comes to vets, the more, the merrier. Welcome, Dr. Randall Hees. Please read his story on the next page 5.

You will once again be inspired by our community's generosity and the heroic work of folks like Stephen Bartholomew. Stephen made a trip to Lake Charles to support our sister state in their hour of need. I've attached a link for you to see the devastation that he witnessed in Lake Charles after Hurricane Laura. <https://www.facebook.com/stephen.bartholomew.522/videos/10158176976321359>

And, like always, check out the many ways our young people, schools, organizations, churches, and businesses are making our community a wonderful place to live, work, and raise a family.

Please contact me when you have an idea for a story, see someone doing something outstanding, or when you walk into one of our local businesses and think to yourself, "This is why I'm glad I live in Cypress."

You can reach me at jackiedevine@comcast.net. Happy October! I didn't mention Halloween or Trick or Treating because, at this writing, we have no idea how that wonderful festive time of the year is going to evolve.

CYPRESS WELCOMES A NEW AGGIE VET

by Jackie Devine

Over 63 million households in the United States own at least one dog according to a 2019/20 pet owners survey, making them the most widely owned type of pet across the U.S. Cats ranked second, topping a whopping 42.7 million.

Are you one of the multitudes of Americans who consider your pet a member of the family? If so, you probably also celebrate their birthdays, leave gifts under the Christmas tree, sign their names to your Christmas cards, and finally mourn their passing.

Did you know that the pet industry has become so high-profile that we now have 16 Pet Holidays set aside in October to celebrate our furry friends?

Pet Holidays for October 2020

- National Animal Safety and Protection Month
- Adopt a Dog Month (A.H.) / Adopt a Shelter Dog Month (ASPCA)
- National Pet Wellness Month
- National Pit Bull Awareness Month
- October 1: National Fire Pup Day
- October 1: National Black Dog Day

- October 1-6: National Walk Your Dog Week
- October 1-6: Animal Welfare Week
- October 4: World Animal Day
- October 4: World Pets Day
- October 9: Pet Obesity Awareness Day
- October 16: National Feral Cat Day
- October 19-23: Veterinary Technician Week
- October 26: National Pit Bull Awareness Day
- October 27: National Black Cat Day (U.K.)
- October 29: National Cat Day

This interesting information is brought to you by our newest area vet, Randall Hees, DVM, owner of The Oaks Veterinary Clinic across from Lindsey Lakes on Muschke Road.

I asked the doctor why he chose to become a Veterinarian. He replied, "I grew up on a farm in Pflugerville, Texas. I've always enjoyed being around animals and learning how to take care of them. You might say, I developed a bond with them and knew that Veterinary Medicine was my calling. All through school, I participated in 4-H and entered every stock show that came along. That is what helped

put me through A&M."

"After graduation from Texas A&M in 2004," Randall explained, "I completed a year of equine near Weatherford where my services included lameness, equine reproduction, and preventative medicine. After working with a local veterinarian for several years, I realized I wanted to open my own clinic and become an integral part of the

community like he was. I wanted to develop strong heart-felt lasting relationships with my clients, their pets, and other community members as he did. These were my ultimate goals."

Randall's dream to open a veterinary clinic was years in the making. Then, he met Brett Thomas, owner of Dog Ranch Park. Randall excitedly said, "We connected while I was looking for the perfect location. Next to Dog Ranch Park, there was a vacant space dedicated to a Vet Clinic. It was a match made in heaven. The Oaks was a compliment match to Dog Ranch Park.

"First on my agenda," he explained, "was to identify current community needs. Since Brett Thomas sponsors many adoption events with Lucky Mutts, that was a perfect fit. So too, is my new association with Angelica at In the Name of Zoey Rescue."

Dr. Hees has seven dogs, but Jeffery is his newest. He was on his way to visit his sister in Uvalde, just outside of Corpus, and stopped at a gas station out in the middle of nowhere. There he was just sitting at the door.

"I asked the gas station attendant if that dog belonged

to anyone," Randall said.

She replied, "No, a lady dropped him off this morning, and he won't go away."

"I went over and petted him, and he followed me to the truck and wouldn't leave. He jumped in the truck and has been part of the family ever since. His hobbies are making goofy faces and counter surfing. He is only about a year old. I bring him to work because he might get in trouble if I leave him alone. I believe that rescued, and adopted dogs make some of the best pets."

Dr. Hees is excited to be part of the Cypress community and invites you to take a tour of his clinic. Visit The Oaks Veterinarian Clinic on Facebook at <https://www.facebook.com/oaksveterinaryclinic>.

Randall is married to Dr. Christi Hees, also an Aggie vet, class of 2004.

We Are In This Thing called Life Together

by Steven Bartholomew

One of Louisiana's hardest-hit areas assaulted by Hurricane Laura's 150 mph winds was Lake Charles, a city near the coastline where nearly all 80,000 residents were without power and running water for days.

Many in our community rallied together and came to the assistance of our sister state. Stephen Bartholomew was one of those people. I asked Stephen what prompted him to do so. His response is below:

Recently, I found myself in kind of in a funk—like something was missing, and I wanted to do something about it. Feeling so blessed, I began searching for a way to give back because I have found that helping others always brings me joy and fulfillment.

Then, I came across the news that Taylor Fonten, a friend of mine, in Louisiana with 50 Star SAR (search and rescue), was lending a hand to Hurricane Laura's victims. Immediately, I asked if I could join him. His quick response was: Of course! So, I decided to drive to Louisiana and lend a hand.

I wrote a post letting people know I was going, and a member from Strong Body Crossfit said they were collecting donations at their gym and asked if I could take some. I agreed to take whatever I could. Then, Josh and Jolie Vance at Strong Body Crossfit said we could stockpile any donations at their gym.

So, I posted again letting people know I could take donations, and started to get an outpouring of support from people who wanted to help

and donate and were willing to drop the supplies off at the Cypress Crossfit Club.

I reached out to some other businesses, and Matt Hennessy, with Cypress Fairhaven Animal Rescue, reached out to the community and told people they could collect dog/ cat food at their clinic. Cypress Lucky Mutts Rescue posted

to promote our donation collection as well.

I also reached out to one of the local heavy hitters, Corey Yates, with Jersey Bagels. I asked him if he would like to help because he is always eager to help with anything when possible. He also posted asking for donations and said he would donate a dollar for each post's share. We got almost 400 shares!

I initially thought I would take everything in my SUV but quickly discovered I needed a truck. My friend and fellow Coach, Parker Jackson, at Cypress Crossfit Club, who was going to come with me on the trip to help out, reached out to Unleashed Machines. They donated a truck for us to use along with a 20 foot covered trailer!

I started out thinking that I would barely be able to fill my car with supplies. However, two days later, we filled up a 20 ft trailer and still needed more room. God is Good!

I have experienced an overwhelming amount of gratitude and joy for all the support we have received. I know everyone involved feels the same way.

It is interesting that when healing the body, we focus on turning inwards and pay attention to ourselves. But turning inward doesn't work when we want to heal the soul. The antidote, when trying to heal the soul, is to turn outwards and help others. That is what this week has reinforced in me. Service is about helping others, but we end up helping ourselves in the process.

Postscript

The trip was an adventure. We were met with several obstacles. An hour after leaving, we lost fuel pressure and were stuck for an hour, and then an hour later down the road, a tire on the trailer blew because we loaded the trailer too heavy with donations. We lost control of the truck but were able to skid off the road safely. A crew from Louisiana came out and helped us get back on the road.

We were able to deliver all of the donations, despite the obstacles. A crew member who we had never met had an aunt. She prepared beds and supper for us as soon as she found out we needed a place to stay. She even made us breakfast before she left for church in the morning and left a nice note thanking us.

Our kindness was met with even more kindness and compassion.

SUMMER BAND AT BRIDGELAND IS HISTORY

by Kellen Kocurek

And just like that, summer band was a wrap! The summer started differently than in past years, with masks, new protocols, and lots of uncertainty.

As the sun sets on this chapter, we salute the senior class of 2021. This year's seniors were part of the inaugural band at BHS and will be the first to attend all four years at Bridgeland.

But through all the 2020 adversity, these kids demonstrated the same dedication, class, and perseverance that has been a hallmark of the Bridgeland band since day one.

This school year, they will continue to build their legacy. Here we feature them as a group, celebrating the summer camp last day with the traditional "Senior Splash" (minus the swimming pool), and in their sections by instrument. Enjoy the year, seniors!

Classic Adults

Monday, October 5, 2020, 2-4 PM

GS Worship Center

Comedian, Tim Hawkins!

Tim Hawkins has established himself as one of the most in-demand Christian comedians in the country. With 300 million video views online and over 100 sold-out concerts every year, his fans have grown into a revolution of multi-generational proportions. Now Tim brings his hilarity and Christian comedy to Good Shepherd Classic Adults.... virtually.... on Monday, October 5th!!!!

Tim's comedy show entertains the entire family while doubling down on the funny, a daunting task in an age where the obscene has become routine. The only certainty being his on-the-nose observations that expose the ridiculousness of daily life while marveling in its hilarity. The perils of marriage, homeschooling, and growing up in the Midwest may not exemplify the rock star life, but they make for good punchlines!

And, by the way, while he's very funny, fans are often even more amazed at his singing voice and guitar playing! Tim's hilarious music videos have brought him viral YouTube fame with fan favorites including the "Chick-fil-A" Song, "Aging Rockers", "Things You Don't Say to Your Wife", and "The Government Can". Still, Tim is no rock star: "It's not like I have a choice. Comedy is my only life skill!"

Please register at www.goodchurch.org under registrations, on or before October 1st for Classic Adults, Monday, October 5th at 2PM, Good Shepherd UMC!!! Call the church at 281-373-2273 with any questions

Trauma Dolls For Children In Need

by Nicole Porter, Leader, Troop 14030, Girl Scouts of San Jacinto Council, Heart of Texas Community Delegate

Girl Scout Troop 14030 in the Heart of Texas Girl Scout Community, under the San Jacinto Council, is a dynamic group of 8th-grade girls located in Cypress, Texas. Currently, our troop has eleven scouts working on completing five Silver Award Projects.

The Silver Award is the second of three highest awards available for

Girl Scout Cadettes between grades 6-8. Projects allow a max of four Cadettes per team to help their community by identifying a need and working to provide a sustainable improvement or resolution and make the world around them a better place. They must work with their community partner to create a project that specifically addresses the need identified, provides a minimum of 50 hours of service per scout, and provides a sustainable result. By earning the Silver Award, Girl Scouts learn lifelong skills such as leadership, responsibility, communication, organization, budgeting, project management, and, most importantly, follow-through.

One of the Silver Award projects is being completed by Catherine Merrill and Lily Escobar of Troop 14030, working with The Kiwanis Club of Cy-Fair, Houston. Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time. Catherine and Lily will be helping both Kiwanis and our community by creating a network of support for making Trauma Dolls and building connections with first responders and other agencies who need them.

Trauma Dolls are meant to be a communication line and

comfort injured children who are victims of abuse or have suffered from any other traumatic incident. They are a 15-inch tall, hand-sewn, stuffed blank canvas doll that comes with markers so the child can draw on it. The child can use the doll to communicate with responders, doctors, or other relevant agencies to show where and how he/she hurts. It's often difficult to talk about experienced trauma. Sometimes it is just easier to show. Likewise, the dolls will help responders or doctors communicate with the child by drawing on or treating the doll first to show the child what they may need to do to treat any injuries.

This team is seeking groups or organizations that wish to make trauma dolls and would be willing to commit to this annually. It is a fantastic opportunity for organizations that have community service requirements. At this juncture, the team has made "travel kits" containing supplies necessary to make the dolls, which can rotate among groups making them, videos to teach "how to make" a trauma doll. A platform informs the public of this project, how it works, why it is needed, the service opportunities available, and how to request dolls. Once the scouts have established groups committed to making Trauma Dolls as well as those in need of them, they will work to develop a schedule that accommodates all to meet the requested need of dolls.

The Cadettes have created an online request form located on the Kiwanis Club of Cy-Fair Houston website. It can be submitted by those wishing to participate in the program as a Trauma Doll maker or an organization requesting dolls. If you or your organization is interested in Trauma Dolls, either making or obtaining them, go to <https://www.kiwanishoustoncyfair.com/> and complete the form. Please consider helping our team of Girl Scouts complete their Silver Award project, the second Highest Award earned by a Girl Scout, and Cy-Fair Houston's Kiwanis.

Gifts of Love

It is a personal goal and passion of Metta Maria Archilla, Cypress Area Eats Founder, to connect with the local restaurants. One of her foci is to create avenues of awareness towards supporting the Cy-Fair Helping Hands, a non-profit organization—geared towards feeding the hungry and homeless.

Metta described her goal, “Our mission is to do whatever we can, wherever we can, to get food into the pantry and into hungry bellies.”

Metta worked with Brian Sandel, owner of Creekwood Grill off Telge, to pack up two truckloads of fresh cheese and milk and haul it over to Cy-Fair Helping Hands where her friend Patricia Hudson, Executive Director of Community Outreach, helped to unload it and transferred it to their coolers and freezers. That was close to 800 pounds of dairy in one week.

The Cypress Area Eats for Charity is always looking to partner with locals to bring food to those in need. Thank you to Brian Sandel for your gracious and giving heart!
