Cy-Fair Helping Hands Keeps Vision to Serve

By Patricia Hudson

When Jean and John Dreyer founded Cy-Fair Helping Hands in 2010, their vision was to help the homeless become self-sufficient. Many families in the community were also struggling with food insecurity. Today, this all-volunteer ministry has grown from a husband and wife team to more than 50 volunteers, and is serving thousands in the Cy-Fair community monthly.

Jean Dreyer, Executive Director of Homeless Initiatives, and Patricia Hudson, Executive Director of Community Outreach, oversee multiple programs designed to serve the homeless and those living below the poverty level. Seven months into the Coronavirus pandemic, many have experienced loss of income, are desperate to feed their families and are seeking emergency shelter. Assisting the homeless and impoverished by regularly providing food, basic needs, guidance, and a safe place continues to fuel the passion for serving at CFHH.

Homeless Initiatives

The Homeless Initiatives Emergency Shelter program provides shelter for families with children, homeless teens, and disabled individuals. Homeless Outreach Teams meet and build relationships with more than 50 homeless weekly. Prior to the pandemic, Fellowship Wednesdays offered health checks, document recovery, fellowship, worship, and a hot meal.

The vision continues to provide a day center for the homeless.

Homeless teens are provided quick meals in all CFISD high schools; Upward Progress pays class fees, dual credit, graduation and extracurricular expenses. Scholarships are awarded to CFISD homeless graduates; two are studying at Lone Star College, one to become a firefighter, and the other, a nurse.

A third is at Texas A&M studying chemical or biomedical engineering.

Cards of Hope, \$50 WalMart gift cards, are currently being

collected for the holidays for homeless teens and their siblings. With the help of our community partners, 550 cards were gifted last year.

Community Outreach

The **Community Pantry** provides non-perishables and fresh food. A drive-thru food distribution ensures that volunteers and clients follow CDC guidelines. Volunteers register clients electronically, clients remain in their cars, and trunks are loaded with boxes of food and toiletries. Since March 17, 2020, we have fed nearly 20,000 individuals, and have distributed more than 75,000 pounds of food donated through the Houston Food Bank, and thousands more through community supporters. Our **Community Garden** supplements the pantry by providing fresh produce from 34 raised beds. This year, volunteers have harvested a ton of produce.

With the help of the community, Backpacks filled with school supplies were distributed to CFISD students, and to first year college students. Working with Owens and Hairgrove Elementary, and CFISD Children's Youth Services workers, (CYS), we were able to put backpacks into the hands of over 2,300 students in need across the district. To put this into perspective, 1,000 backpacks were distributed in 2019, and 450 in 2018.

National Night Out

National Night Out's celebration was a little different this year, but just as effective in reaching out to people maintaining safe and strong neighborhoods.

Constable Mark Herman's Office participated in the 2020 National Night Out in the communities we serve. National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer and more caring places to live.

National Night Out enhances the relationship between neighbors and law enforcement, while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances and allows each to learn more about each other.

The men and women of your Precinct 4 Constable's Office love the communities we serve! Attached are pictures from this year's National Night Out events across Precinct 4. Thank you to all our citizens and deputies for making National Night Out a successful event!

Follow us at Facebook.com/precinct4 to receive live feeds on crime and arrests in your area.

National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community.

Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances. The state of Texas and select areas celebrate the first Tuesday in October. Due to the COVID-19 pandemic, we are strongly recommending that all National Night Out 2020 areas celebrate on October 6th, the first Tuesday in October.

NEW TOMBALL RESIDENTS

By Cheryl Conley, TWRC Wildlife Center

A pair of beautiful bald eagles are now calling Tomball, Texas, home and they've become quite the attraction. People are coming from miles around just to get a glimpse of them and to snap a photo. Should you decide to come and take a look, remember to keep your distance and do not disturb the birds in any way.

Bald eagles are protected by multiple federal laws that include the Bald and Golden Eagle Protection Act, the Migratory Bird Treaty Act,

the Lacey Act as well as other state and municipal protections that may be in place. The Eagle Act was originally passed in 1940 and was amended in 1972, increasing civil penalties. The Act provides criminal penalties for persons who "take, possess, sell, purchase, barter, offer to sell, purchase or barter, transport, export or import, at any time or any manner, any bald eagle ... [or any golden eagle], alive or dead, or any part*, nest, or egg thereof." The Act defines "take" as "pursue, shoot, shoot at, poison, wound, kill, capture, trap, collect, molest or disturb."

"Disturb" means: "to agitate or bother a bald or golden eagle to a degree that causes, or is likely to cause, based on the best scientific information available, 1) injury to an eagle, 2) a decrease in its productivity, by substantially interfering with normal breeding, feeding, or sheltering behavior, or 3) nest abandonment, by substantially interfering with normal breeding, feeding, or sheltering behavior."

Here are some interesting facts about Bald Eagles:

- They have been our national symbol since 1782.
- They are almost always found near water.
- They live to be between 20 and 30 years old. The oldest recorded bald eagle was 38.

- Their wingspan is between 6 feet and 7.5 feet.
- Females are larger than males.
- They can see 4 to 7 times better than humans.
- They can see fish up to a mile away.
- They mate for life but should one of the pair die, the other will find another mate.
- They return to the same nest every year. They will make repairs and add additional twigs, grass, etc. each year. The nests average 2-4 feet deep and 4-5 feet wide. The largest nest on record weighed 2 tons!
- The female lays 1 to 3 eggs and both the male and female take turns sitting on the eggs. The first egg will hatch after 35 days of incubation. The next egg will hatch several days later.
- Sometimes the first eaglet to hatch will kill the younger one(s).
- By 3 weeks of age, the feet and beaks are nearly as large as an adult.
- Eaglets fledge between 8 and 14 weeks of age.
- It's not until 3 years of age that the head and tail begin to turn white. In the 4th year, the eagle gets its white head, tail and upper and undertail coverts.
- Eagles can swim—sort of. If they swoop down for a fish and it's too heavy, they will paddle to shore.

TWRC Wildlife Center asks that you respect all wildlife. With regard to the Tomball eagles, keep your distance, view with binoculars, keep the noise level down and report anyone harassing them or getting too close. They could be breaking a federal law.
